CONSTRUCTION UPDATE

We are excited to begin a second phase of construction on April 9th. Please be aware that some areas of the church will be out of commission during this time.

Affected areas of the church will include:

- Claypool Commons
- main stairwell,
- restrooms directly outside the Narthex, the Founders' Room and the Tilson Room.

These locations will be out of commission until June 7th when construction is expected to be complete.

The Claypool Commons entrance is out of commission as well for ALL EXCEPT our handicapped or physically impaired.

Please utilize the parking lot behind the church, leaving both the senior parking lot and the handicapped spaces outside the chapel entrance open for our seniors and handicapped members.
