Small touches abound and little luxuries delight your senses from the moment you select your CME AWAY™.

You will quickly realize the incredible value of combining continuing education with a trip abroad.

Our surveys continue to validate that destination CME offers three key advantages over traditional CME events.

(2) Sessions are spread over the entire duration of the trip allowing time for reflection as well as follow-up for questions and discussion. (3) Attendees not only come from several disciplines and health professions, but also from many provinces, states, and countries – all of which adds to the group interactive discussion.

Whether your primary goal is to be educated, or escape the office, or simply experiences that perfect vacation, you will return home from this CME conference accomplishing much more. That's the unique advantage of the Sea Courses CME AWAY™ environment.

Miami, Florida | In just over a hundred years, Miami has gone from a mangrove swampland to a major cosmopolitan city. With its world-renowned beaches, unrivaled nightlife and Latin flavor, it's not just for the snowbirds anymore.

Roatan, Honduras | Roatan welcomes divers and snorkelers eager to explore the thriving coral reef. Boaters, beachgoers, and water-sports fans enjoy the sparkling seas, too. The island also has a multicultural population, some descended from pirates.

Puerto Costa Maya, Mexico | With sparkling sands and turquoise seas, Costa Maya is a relaxing destination where you can swim and sun, explore the coral reef offshore or Maya ruins in the jungle. The nearby fishing village of Mahahual is even more laid-back.

Cozumel, Mexico | Cozumel features great diving, snorkeling and beaches, marine-life encounters, botanical gardens, trails and shopping in the town of San Miguel. The nearby mainland is home to Tulum, Mayan cliffside ruins overlooking the Caribbean.

Nassau, Bahamas | With dazzling beaches, turquoise waters, colorful past and vibrant Junkanoo culture, Nassau is a great place to sun and sightsee. The city is on New Providence Island; just offshore
