Pharmacy Benefits

Beginning January 1, 2026, Navitus will become the new Pharmacy Benefits Manager for employees enrolled in the County health plan.

To prepare for the change, you can search for in-network pharmacies by clicking [HERE](#) and selecting "Standard."

The [Navitus FAQ](#) also contains helpful information on who Navitus is, the drug formulary, how to recognize a call from Navitus, when to expect your new ID cards, and more.

Be sure to watch for and open any physical mail from Navitus, as it may contain important information to help you navigate this transition.

Digbi Health Coming 2026!

- Beginning January 1, 2026, the County will offer access to Digbi Health, a personalized health and wellness program available at no cost to eligible members enrolled in the County medical plan. Digbi provides tailored support for individuals managing weight, Type 2 Diabetes, digestive health, or using GLP-1 medications for weight management. Check your eligibility by taking a 2-min quiz [HERE](#).
- Important for Current Weight Management GLP-1 Users:** While providers may continue prescribing non-diabetic GLP-1 medications, prescriptions issued outside of Digbi's network will not be covered. Starting January 1, 2026, you will have 90 days to go through Digbi Health's Reauthorization for weight management GLP-1 medication based on the new eligibility criteria.
