Darcie Antle, CEO
County of Mendocino
And
County of Mendocino Website Team

Re: UDRNC Organizational Updates & Website Link Request

Dear Ms. Antle and County Website Team,

I am writing to share updates regarding United Disaster Relief of Northern California (UDRNC) and to request an important update to the County of Mendocino website.

After seven years with North Coast Opportunities, we are no longer a sponsored program. **UDRNC has now completed its legal transition** following our merger with Stand for Kindness. We filed Amended & Restated Articles of Incorporation and legally changed Stand for Kindness to United Disaster Relief of Northern California. Our IRS determination letter is available upon request. While our name remains the same, we now operate under a new FEIN and updated banking/ACH information. **All county references, partnership records, and financial details should reflect our current FEIN: 82-3229998.**

We have secured a **permanent Disaster Resource Center at 650 Babcock Lane in Ukiah**, significantly expanding our ability to support fire and disaster survivors countywide, along with our nonprofit partners. As we continue to grow, we remain committed to collaboration with the County of Mendocino.

To ensure accurate public information, we request that the county **update any UDRNC links on its website to our current official site: www.udrnc.org**. This ensures survivors, donors, partner agencies, and county staff can easily reach us when assistance is needed.

UDRNC would also like to continue partnering closely with the County of Mendocino and respectfully requests inclusion in any emergency management coordination, communication, or planning efforts involving community nonprofits. **Our organization stands ready to support the county in preparedness, response, and recovery efforts.**

Thank you for your time, collaboration, and continued support. Please let me know if you need any documentation regarding our new FEIN or other organizational updates.

With much respect,
Danilla Sands 
Chief Executive Director
United Disaster Relief of Northern California
