

An Effective County Government Organization:

For the month of May, Behavioral Health & Recovery Services Substance Use Disorders Treatment served 146 individuals for a total of 719 services provided. Services were provided in Ukiah, Willits, and Fort Bragg to Adults, Adolescents, and individuals within the County Jail.

Behavioral Health & Recovery Services (BHRS) is collecting feedback from individuals that have received Mobile Outreach and Mobile Crisis Services through Key Informant interviews. BHRS is reaching out specifically to individuals that are within the ages that mental health symptoms and first episode psychosis often develops (ages 16-25). The purpose of the interviews is to ensure individuals were supported in connecting to resources and the results will also provide information to BHRS of opportunities to better improve and enhance services.

Behavioral Health & Recovery Services Public Conservator office is proudly serving Mendocino County LPS conserved clients and meeting their basic needs and supporting their quality of life continuously. In April 2023, there were more clients placed out of county than in county due to needing higher level of care.
