A Prepared and Resilient County

The department has **10** vacancies and is currently recruiting for our Consumer Protection, Land Use, and Hazardous Materials programs. You can see our current org chart attached to this document.

Other:

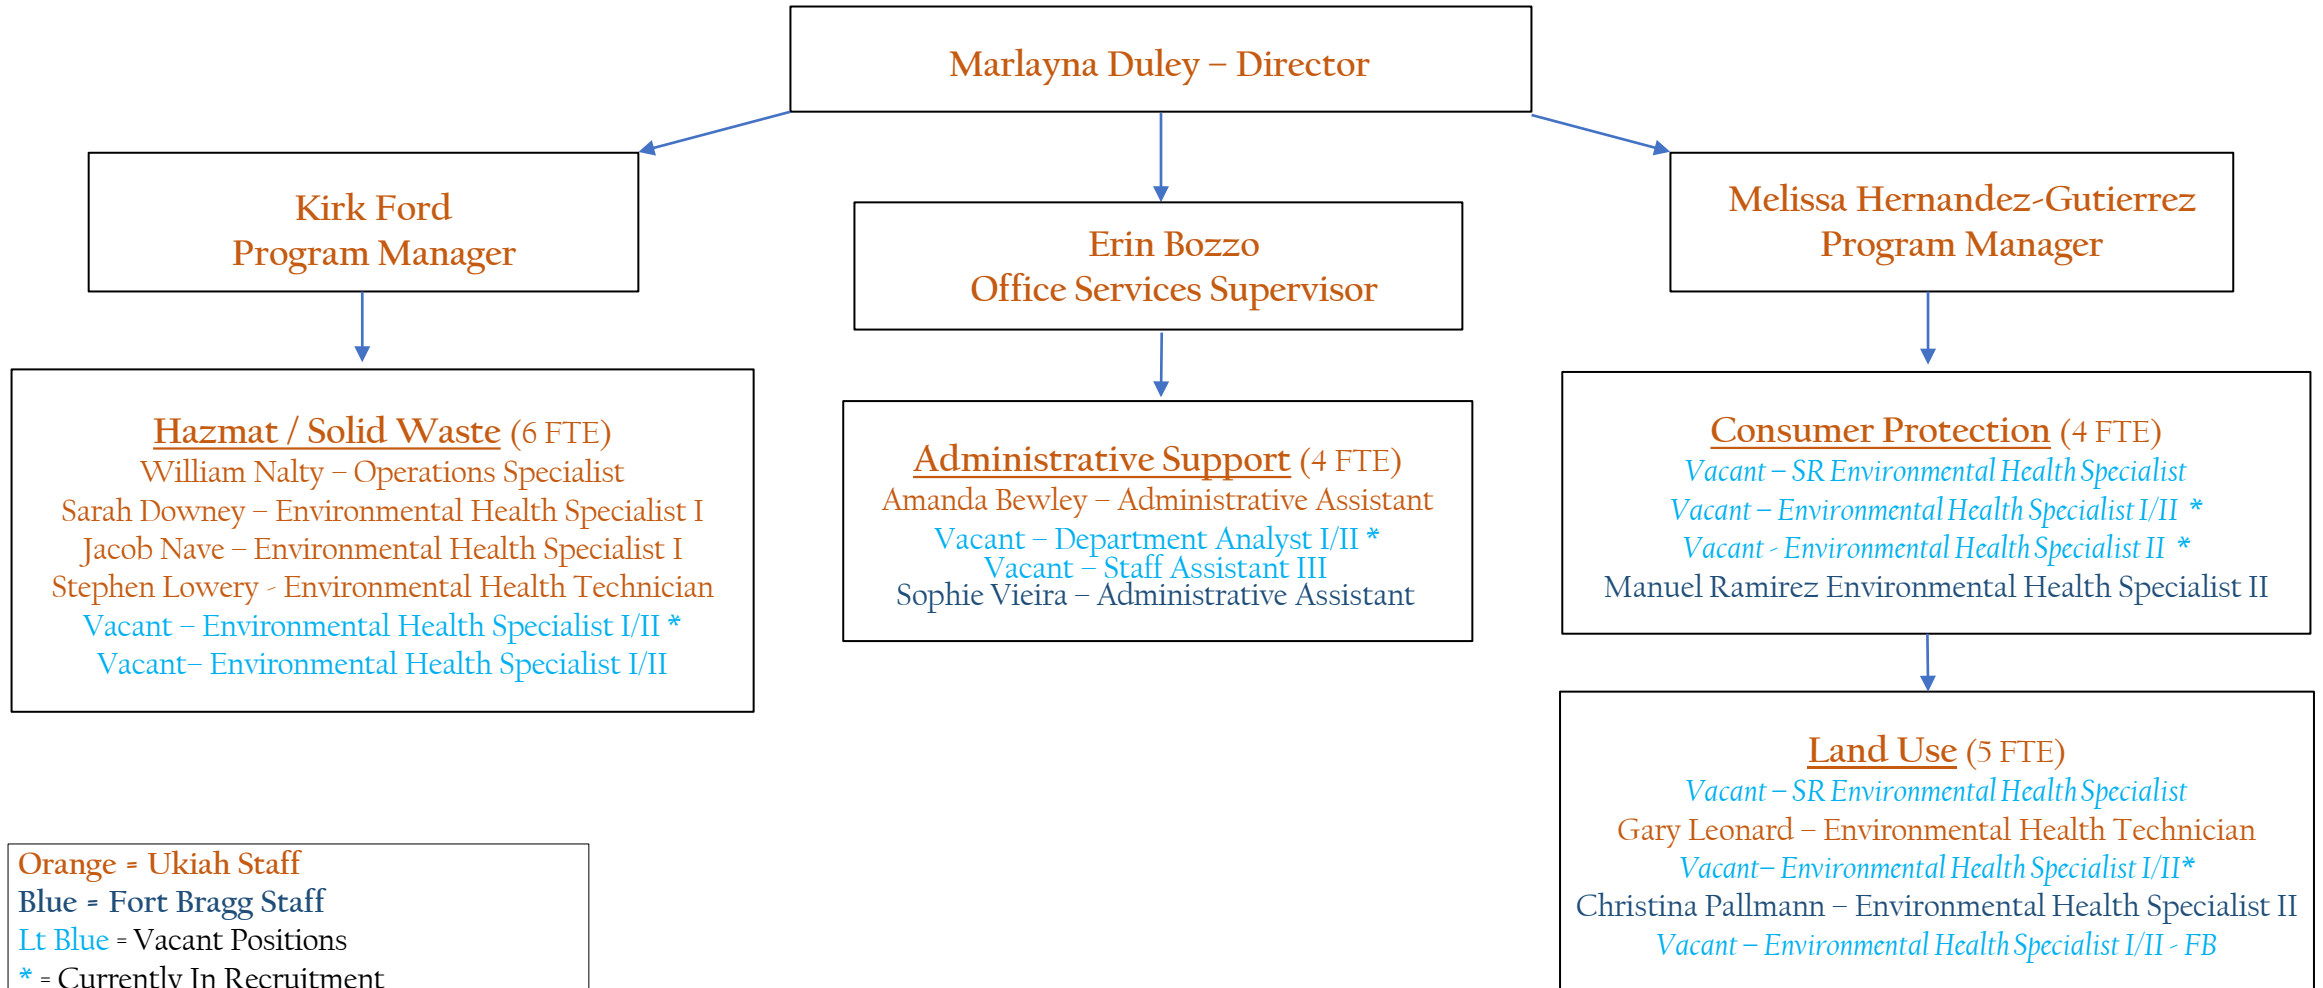

Due to unforeseen circumstances, the popular Sierra Nevada World Music Festival cancelled the event the weekend before it was to take place. The department is in the process of issuing partial refunds to the temporary food booth applicants who applied to attend the music festival. The department anticipates those going out mid to late July.

In addition, all 43 refunds for the two 3 or More Event categories mentioned last month were issued successfully. Again, we thank the Auditor's office for their support on this project.

The lobby shared between Planning and Building, Cannabis, and Environmental Health has begun the process of its remodel to help streamline the processes and workflows to better serve our customers.

ENVIRONMENTAL HEALTH ORG CHART

Orange = Ukiah Staff
Blue = Fort Bragg Staff
Lt Blue = Vacant Positions
* = Currently In Recruitment
FTE = Full Time Equivalent Positions
