I. Effective County Government

II. Safe and Healthy Community

Round Valley Library is offering Senior Explorations on the first Saturday of the month beginning in August. It gives seniors the chance to relax and visit with each other. The first meeting will explore what people are interested in doing, and puzzles and games will be available.

III. Thriving Economy

On August 15 from 11 a.m. to noon, the Virtual Author Talk offered on the Library's website will be, "The Golden Ticket to College Admissions Is Not What You Think: Redefining Success for Parents of Teens" with Irena Smith, PhD. Attendees will learn about constructive and healthy ways to approach the college application process, preserve their relationship with their teen, and help teens define success on their terms instead of chasing the elusive "golden ticket."

IV. Prepared and Resilient County

Coast Community Branch is celebrating the end of the Summer Reading Program with a backpack giveaway. Beginning the week of August 6 and continuing until all backpacks are distributed, this is another way the Library is helping to get children and teens ready for school. Backpacks also include a blank notebook and were purchased thanks to a donation from the Friends of Coast Community Library.
