**County of Mendocino**  
**Department of**  
**Child Support Services**

The Mendocino County Department of Child Support Services strives to “Help Parents Invest in their Children”  
Our mission is to serve children and their families by establishing parentage and enforcing support orders in a fair and equitable manner.

**I. Effective County Government Organization**

The Mendocino County Department of Child Support Services has 2704 open cases as of May 31, 2025, serving both parents to ensure that their families receive court-ordered financial and medical support.

**II. A Safe and Healthy County**

**III. A Thriving Economy**

The Department of Child Support passed through state owed payments to families rather than recouping government owed arrears in the amount of \$ 41,734.57 for the month of May. This amount is included in the total collections and distributions of \$482,291.70 for the month.

**IV. A Prepared and Resilient County**
