

Safe and Healthy Community

May's first paranormal discussion group was held at the Willits Branch where 19 participants heard a presentation from a team of paranormal investigators and shared stories of their own experiences of ghost sightings.

May-June; Fort Bragg Branch celebrates Asian Pacific American Heritage month surrounded by Quilts from Ocean Wave Quilters. The branch is part of the coast's annual Quilt Walk promoting this communal art form and the annual show at Dana Gray Elementary School. These quilt displays celebrate community connections, and their sale leads to a thriving economy.

June 2 - Noon – 4:00 pm; Fred Hempel of Artisan Seeds and Green Bee Farm, Sunol, CA will bring tomato starts and tips about growing them to the farmers' market behind the Round Valley Branch Library. All are welcome to come pick up starts, visit, and ask questions about growing tomatoes. At 3:00 Fred will give a presentation and answer questions in the Community Room. This program contributes to a safe and healthy county by demonstrating how community members can contribute to local food security

June 6 and June 20; Adults can de-stress with therapy dog Emma at the Main Branch of the Mendocino County Library every other Tuesday at 1:00 p.m.
