Introduction

This September, Mendocino County Library invites you to celebrate Library Card Sign-Up Month and discover how a single card can open the door to endless opportunities. With a library card, you can do more than check out books. From free programs and job resources to homework help, e-books, and Seed Libraries, today's libraries connect communities to information, inspiration, and each other.

I. Effective County Government

Round Valley Library is continuing to partner with Social Services to offer programs on the fourth Thursday of every month from 10:30 a.m. to 1 p.m. The public is welcome to stop by and check on their case, apply for benefits, and find out more about Medi-Cal, CalFresh, and IHSS.

II. Safe and Healthy Community

Ukiah Library is throwing a Food & Pantry Share program on Saturday, September 27 from 2 to 4 p.m. Community Members are invited to bring their surplus homegrown produce or non-perishable, non-expired, unopened pantry items to the Library. Everyone is welcome to pick up the free produce and food to take home.

III. Thriving Economy

Fort Bragg Library offered a costume workshop for kids and teens on Saturday, September 20 at 2 p.m. Youth were welcome to bring a costume they had begun to get ready for Halloween, and the branch offered help with sewing, face painting, drawing, and other areas of expertise.

IV. Prepared and Resilient County

Coast Community Library offers Tech Help every Tuesday from 11 a.m. to noon. Patrons who need help with their devices are welcome to drop in and have their questions answered. Staff will guide people through the library's digital resources, and even if they don't know the answer right away, Library workers will help patrons figure out those challenges together. Tech Help programs are also available at all Mendocino County Library branches on different days and times.
