

Effective County Government

With the help of the IT Department, all computers 5 years and older at the Fort Bragg Branch of the Library were replaced with newer models.

The Ukiah branch of the library has been updated to the faster, more reliable CENIC network with the help of the IT Department, completing the network upgrades for all Mendocino County Library branches.

July 22 2:00 p.m. Fort Bragg Branch Library partners with Noyo Center for Marine Science to present Ocean Stations! Kids and families aged 5 and up are invited for a hands-on experience of ocean wildlife.
