A Safe and Healthy Community

Walk, stroll, or roll with other adults as we share & reflect about what we're reading. Amble & Ramble meets at Perkins St. near the old Train Depot on the last Saturday of each month at noon. The Great Redwood Trail is ADA accessible. This program fulfills the goal of a safe and healthy community by providing outdoor activity and an opportunity to interact with neighbors, which helps mental health. Every Wednesday at 10:30 a.m. at the Coast Community Branch Library staff and children talk, sing, read, write, and play, plus there will be dancing, bubbles, and more! Local author and history buff Kim Bancroft will be conducting an Author Talk and Tea at the Mendocino County Museum on her newest book on January 21st from 1:00-3:00. She will also be leading a workshop on February 18th from 1-3 pm on how others can look through and write about their own personal histories! Outreach staff will oversee the creation of Take & Make kits for the Bookmobile and create Cooking Kits to circulate in partnership with our Book to Action Spring program featuring the book, "Six California Kitchens" by Sally Schmitt. Drop in Crafting happens on Thursday January 19th from 5:00 to 6:00 in the Round Valley Branch Community Room. This program contributes to a safe and healthy county by providing an opportunity for the public to socialize with friends and neighbors, which is good for mental health. Gina Covina, of Open Circle Seeds, will share how we need to lay out our gardens so we can successfully save seed from the crops we grow in the Community Room of the Round Valley Branch on Saturday, February 25, at 11:00 AM. This program contributes to a prepared and Resilient County by promoting small-scale food production and seed saving. January 20th at 4:00 p.m. will be Game Night at the Willits Branch, which provides a safe space for under-resourced individuals to feel safe in their communities and connect with others through games. Thursday, January 26 at 11:00 a.m. local mushroom expert, Angelica Garza, provides tips on identification and selection of Mendocino County's many varieties of mushrooms.

A Touch of Mendocino:

Mushrooms of Mendocino County

Thursday, January 26, 11am -12pm

Are you fond of mushrooms? Mendocino County is home to about 3,000 mushroom varieties, only 500 of which you can eat safely.

Join us on Thursday, January 26, from 11-12, as local mushroom expert, Angelica Garza, gives us a few tips on identification and selection of Mendocino County's many varieties of mushrooms.
