Continental Style High Volume Pheasant Tower Shoot for 1 Person

Our European Tower stands the tallest in the Northeast region at 210' above its lowest station. With 12 stations, 24 shooters, and enough guides and dogs to support all of the fun, The Preserve is the latest and greatest in driven tower shoots this country has ever seen. We'll begin the morning with breakfast in our clubhouse featuring an omelet station, eggs served any way, Applewood smoked bacon, waffles, and coffee, tea and juice. Our shoot orientation begins mid-morning followed by a 1,000 bird release. Twenty-four shooters rotate between our 12 shooting pegs and 13th peg warming station. Four course dinner (filet and lobster combination, mini bison meatballs, roasted pheasant with endive) with drinks follows. **Included:** Tower shoot for one person with

breakfast, dinner and drinks. Gun and shells. **Upgrades:** Additional shooters at standard rate of \$2,000. **Dates:** 2020/2021 High Tower Season on days TBD. **David Rodin, The Preserve at Boulder Hills, 87 Kingstown Rd, Wyoming, RI 02898 Tel: (401) 539-4653, info@thepreserveri.com , www.thepreserveri.com**
