

LA-28 New England Custom Gun Service Ltd.

Custom Claw Mount Installation

The German claw mount is possibly the finest detachable scope mount ever created. The claw mount is truly a hand fit mount where the base and ring tolerances vary enough that they are not interchangeable and not one you can simply assemble. Donation is for complete custom claw mount installation on your gun (incl. mount and mounting / installaton only), up to average installation cost of \$1,500.
