SPRING READ-AND-SCRATCH READING LOG

Read Across America. is a reading initiative sponsored by the National Education Association. This initiative to "read and grow together with 12 months of recommended titles, authors, and teaching resources that promote diversity and inclusion" has evolved from one day to an emphasis on celebrating reading all year.

This Spring Reading Challenge is a chance to immerse yourself in the world of books while earning a small prize. To participate, complete and turn in the reading log by April 17th. You can explore a variety of genres and authors, making it perfect whether you're on a spring break road trip or enjoying a staycation. For added convenience, you can access a wide selection of ebooks and audiobooks through Sora, allowing you to enjoy your reading journey anytime, anywhere. Dive into the challenge and let your love for reading lead you to new adventures!
