IMPORTANT NOTES

- Food will be provided for all Fight Team Staff at 6:30 pm in the Mill Room – It is advised that you bring extra snacks or bars for after you fight
- If you are waiting to fight please be in the warm-up area – If you are leaving this area let the team know where you are and for how long you will be gone
- We will be providing a room in the Hotel for fighters to shower after their fights and for fighters who are later in the evening to relax
- You are welcome to pull up a chair to sit with your guests, otherwise seating will be assigned to the Fight Team
- Due to sponsorship you must wear fight gear provided
- The FTEC Fight Area is in the mill room just outside of the venue area
- If you are going to socialize with your guests, leave yourself at least 1 hour to re-gather yourself to get into your zone for fighting. We recommend if you are in the Bout 1-3 you do not socialize with your guests until after your bout. (Production will let you know approximately where we are at on the schedule throughout the night)
- **Do not leave tickets or items with guests – let your guest know that due to sanctioning and medicals you will be off limits until after your fight.**

SATURDAY MAY 27 | FIGHT TO END CANCER 2023 – FIGHT TEAM GALA DIRECTIONS

METHOD TO WALK-INS AND FIGHTS: (some of these points are subject to change)

- The FTEC Warm-up Coaches will warm you up for your bout, remember it is your responsibility to have your cup and mouth guards. **We will supply headgears and the gloves and clothing**
- When it is close to your bout the coaches will walk you to the venue entrance door. Wait for the storylines and for the ring announcer to announce “in the blue corner representing....” your cue to walk in will be when your name is announced and your music is playing – some walkouts may have special direction to be determined in production
 - Blue Corner will always enter first into their walk-in music (once you’re introduced, you will get into the ring - then you will exit back out of the ring so the official can enter without the fighters)
 - Because the walkouts are entertainment oriented – in order to keep you in “the zone” we will be keeping you outside of the ring and focused until it is absolutely time to get in.
- After you leave the ring you will see the doctor and then you should cool down with direction by the coach before coming back to the venue to interact with guests.
- You can use the hotel room allotted for showering to get dressed up. You can also return to the venue in your fight gear right after your fight, this is up to you!
- **Remember that you will be back on stage (in the ring) at the end of the night**
- **There will also be an after party for all of the teams and your family/friends in the Garden Drawing Room 11:00 pm Start Time**
- **You are our heroes! LOVE THE SHIT OUT OF YOU ALL!**
