### Class of 2024 Gift to Our Lady of Guadalupe School

This year's graduating class has raised funds throughout the school year to provide OLG with a gift, showing our appreciation for our education. This year we raised over \$790, which we will use to help fund the "Who is the OLG Community? Rock Garden Project". The funds will be used to help purchase the plaque describing the project, which will be located by the church's 35<sup>th</sup> avenue. entrance. We hope the community will enjoy these gifts for years to come.
