

- Prayer
- Principals Report Anton Kramer
 - Father Kevin - no date set for first visit
 - Many good reports from his current parish
 - Wrapping up middle school hiring this week and should have a report this Thursday or Friday
 - More staff support around the auction
 - Moving current part time position to full time position and part of this job will now be to support the auction. Looking at the position being more focused on all fundraising for school and parish. Coordinate fundraising around major giving, sponsorship, grants, fundraising, etc. The auction will be a percentage of the job and this will be very clear in the job description. Carrie is not interested in full time, this position will be posted.
