 - 2 possibilities as to what Parish could receive
 - Lay leadership
 - Being considered because we're a strong parish with strong leadership currently and in the past
 - Priest leadership
 - Leaning towards this
 - Typically announced after Easter, Bishop decision

- If we get a priest they are typically leaving a Parish so they would need a replacement, this is why this process takes so long
 - Enrollment
 - Looks strong
 - Lots of classes have waitlists
 - Some students are not coming back for various reasons
 - Preschool/pre K 18
 - Kindergarten 25
 - The higher the class 28/29 students, try not to hit 30. Hard cap in middle school

 - Motions approved
 - Have 30,000 left to pay
- Chair Updates
 - Auction
 - Really successful based on numbers
 - 2 meetings
 - One with past auction chairs about what's working and what's not and steps moving forward
 - Current auction committee debrief and pain points what works what doesn't
 - We have seen a change in volunteerism. People work and don't have the time to dedicate 40 hours a week to managing this event

- What should structure look like in terms of moving forward
- Chair gets into the weeds, what does committee structure look like
 - Roles/responsibilities
 - How many people
 - Time commitment
- Survey results back
 - 65 responses
 - 66% attended
 - Price wasn't a huge barrier
 - Location and connecting with friends were more important than cost
 - Lots of feedback for auction team to review
 - Overall really positive
 - Next year auction is on 2/29/20
- 2 key pieces
 - Revisit auction leadership structure
 - Include additional staff support from paid staff person
 - What does this look like since it is just a piece of their job
 - This is in process
 - Looking at various models
 - Combo parish/school development person
 - Rewrite school development director role as a full time position
 - Allow chair to be more of a manager than doing all the roles
 - We need a plan we are comfortable with and to change the image of being the auction chair, seems that people are afraid of this role
