Tuition and Fees

- ✓ A \$150 registration fee per student is due upon acceptance (application fees paid will apply to the registration fee). This assures a child's placement in the school, provides for initial expenditures in the classroom and is non-refundable.
- ✓ A \$15.00 per student annual classroom auction fee will be invoiced in FACTS
- ✓ Tuition and incidental payments are made through [FACTS Tuition Management](#). Tuition paid is non-refundable.
- ✓ ELC (Preschool/Pre-K) rates are set separately from grades K-8, therefore sibling discounts/tuition assistance does not apply to Preschool/Pre-K tuition.

Fundraising Commitments:

- ✓ **AUCTION:** Each family must procure an item or items worth no less than \$200.00 for the annual school auction, or pay \$200.00 by December 4th, 2020.
- ✓ **JOG-A-THON:** Support jog-a-thon in the spring.
- ✓ **SCHOOL FUND DRIVE:** Each family is encouraged to contribute to the annual School Fund Drive. 100% participation from our families helps our development efforts grow. Outside grants and donors look to see how active our own families are; 100% participation in the school fund drive is a key metric.

Your financial commitment should be based on your personal financial situation. Your tax-deductible donations close the gap between tuition and the actual cost of educating each student. Many fundraising options abound throughout the year, focus on the ones that excite you!

Volunteer Hours

- ✓ Commitment hours must be served by April 30th of the current school year. Any service time done after April 30th will be credited to the *following year*. Families will be charged \$25 per service hour not completed.

Preschool / Pre-K

20 hours by April 30th
