

A Visual HARVEST

CALL FOR ENTRIES

Shortly after school starts in the fall OLG will be hosting our 1st annual Art Walk. We will have professional artists showing and selling their works and we would like YOU to display your artistic talents alongside. This will be a take home project with the following parameters:

Art theme: *INCLUSION.*

What does inclusion mean to you?

Is it a garden where all kinds of plants grow beside one another?

Is it a group of people where everyone is welcome?

Is it a rainbow where all the colors come together to make it absolutely beautiful?

Think about what inclusion means to you and create a piece of art that depicts it!

You choose the style...abstract, Impressionism, modern, etc....

Medium: Whatever you want as long as it's a maximum of 12"x12".

You may choose acrylic on canvas, watercolor on paper, paper mache, photography, needlepoint, patchwork felt, beads on fabric, etc...

What's in it for you: You get to have your art shown alongside professional artists and when sold will earn valuable dollars for our school.

Each child who submits a piece (1/child please) will earn

3 commitment hours for their family!

Due date: August 29th at School supply drop off night. If that doesn't

work for you we can make alternate arrangements.

Please notify us (ywebbfoster@gmail.com) that your child is planning to participate so that we can keep in touch over the summer and so that we can plan for adequate display space for everyone involved.

Now go and CREATE!!

Art Walk September 29, 6-9pm
