SERVE

Volunteer Drivers Needed

Our archdiocesan Seafarers' Ministry is seeking volunteers who can provide hospitality and transportation services for international cruise ship crew members visiting our ports this summer. Using our 15-passenger vans, you will transport seafarers to various shopping and tourist destinations while providing them so much-needed rest away from their place of work. This year, they anticipate 130 cruises will arrive and depart from Terminal 91, which equals 250-500 seafarers a day! If you have a valid Washington State driver's license, auto insurance, and time to do 2-4 drives a month, contact the Reverend Cristi Chapman at chapman@mts-seattle.org to learn more.

And now, a truly groundbreaking step in the fight against these diseases has been taken, as the WHO has recently recommended a malaria vaccine for children at risk. Welcome Vulnerable Afghan Refugees

Refugees from Afghanistan come to the U.S. in a precarious position, arriving with a special type of immigration parole with an expiration date. Their status is temporary and, without changes to the process, many will either be forced to leave or will live in an administrative limbo. Congress has a history of responding quickly and compassionately to previous humanitarian crises in Cuba, Vietnam, and Iraq. An Afghan Adjustment Act patterned after earlier situations would grant our new Afghan neighbors lawful permanent residence and peace of mind. Urge Congress to advance the Afghan Adjustment Act by visiting <https://cwsglobal.org/take-action/action-alerts/>
