## **Spring into Action**

Tonight, we celebrate new seasons and new opportunities together! It takes all seasons and many hands to bring our children to full bloom. Here at OLG, we recognize and celebrate this year through our theme of OLG: Many Parts, One Body. From our parent volunteers to our dedicated teaching staff, we work together to plant the seeds that will help our students to grow and bloom in all that God has for them. Our "Raise the Paddle" Fund-a-Need tonight focuses on the Doors of Guadalupe. The security we provide both internally and externally will ensure an environment ripe for the growth and development of our current students and those to come. You can help tonight with your presence and support this evening!

We have had so many OLG families doing their parts to put this evening together. Special thanks to Michelle Scheving and Tina Suh for their great leadership, and all the amazing auction volunteers. They worked many, many hours and without their collective contribution, this event wouldn't have the life and energy you see here tonight.

Thank you for your investment this evening. You are OLG and you continually strengthen our Guadalupe community with your actions ... for that, we are ever so grateful!

With Gratitude,  
Fr. Kevin, Pastor  
Anton Kramer, Principal

We are a General Construction

## Dessert Dash

Teamwork makes your DESSERT DREAMS work! Your table is your TEAM. Check out the dessert table during the silent auction and choose your favorites. The highest-bidding team gets first choice of desserts from the Dessert Dash table. Second-highest bidder gets second choice, etc. Collaborate with your team and decide which dessert sounds best!

### How to Play:

While seated for dinner, place your bid number and the amount you want to individually contribute on the bid card located on your table.

The table with the highest collective bid will get to pick out its dessert first.

The lowest bid will get the remaining, leftover treat.

The auctioneer will announce each table from highest to lowest during the Live Auction. Make sure your designated runner is ready to dash to the dessert table and grab a treat for your table.

The 8th grade project is a recreation of a photo of the students taken in kindergarten. This will surely be the most sought after item of the auction because who doesn't want to see how these cute little 5 year-olds have grown into self-confident teenagers? Both photos will be featured in a custom-made frame perfect for displaying in a prominent location in your home.
