Guidelines

***GROUP ACTS MUST TURN IN ALL PERMISSION SLIPS TOGETHER.** Do not submit until all participants' slips (and lyrics if needed) are compiled.

*Tryouts will occur in the order in which complete (whole group, lyrics included) permission slips are submitted. No exceptions, so if you need an early time, return yours today.

*The first individual or group to turn in all completed permission slips and lyrics for a particular song will be the one/s to perform it. There will be no repeats.

*All permission slips and lyrics (if applicable) must be turned in to Ms. Hieger by Friday, April 20.

*Performance has to be in good taste (Appropriate lyrics, language, clothing, & gestures.)

*A student may only participate in one act.

*Act must be no longer than 3 minutes. (This allows more students to participate.)

*For acts involving singing, students are expected to sing into a microphone. A recorded song may be used for background music.

*The performer/s must wear performance outfits to tryouts.

*After the tryouts the act may not be changed (in lyrics, language, clothing, or gestures) unless instructed to do so.

*Tutor participants please attend tutoring first, and then meet at the third grade classroom.
