

Thank you Miss McKamey!

*40+ years of
Music Ministry*

Dear Band Families,

For more than 40 years, Miss McKamey has been leading the elementary band program at OLG and across the region. In her time, she has taught close to 20K students, inspiring generations of musicians. As we prepare to say goodbye to Miss McKamey, the school community would like to send her off with a generous retirement gift.

We would like to make sure that all band families have an opportunity to contribute. We invite you to give as little as \$5 or as much as you'd like, to make this gift extra special. All donations will go directly to her gift from OLG.

Gratefully,
Ms. Hobbs

Ways to contribute: By QR code, or cash or check to office by May 23rd. Thank you for your generosity.
