

# GLOBAL HEALTH SYMPOSIUM

TUESDAY MAY 5TH, 2026

5:00PM –8:00PM

UMASS CHAN MEDICAL SCHOOL

Join us for an opportunity to connect with your colleagues, network at our poster session and learn about global health opportunities.

DR. JENNIFER ADAIR

Professor and Vice Chair, Department of Genetic and Cellular Medicine & Associate Director of the Horae Gene Therapy Center

Join us for a special spotlight of the The Ghana Global Health Initiative featuring Tan Chingfen Graduate School of Nursing Faculty Dr. Akwasi Duah, Dr. Rose Kronziah-Seme and Dr. Rita Amoah as they share insights and reflections from their recent travel experience in Ghana, highlighting the lessons learned, cultural connections and impact on global nursing practice.

SYMPOSIUM
