

## **EQUITY & HEALTH IN CUBA** **DECEMBER 14-20, 2025**

### **The Art of Solidarity & Hope for Humanity**

Experience the Cuban art of solidarity and how it has nurtured a national culture that values equity. This unique environment is a testament to the power of collective resilience, supported by a universal healthcare system that embraces a neighborhood-level, team-based approach. The health care system prioritizes access, prevention, and social integration. Witness this miraculous model with exemplary Cuban professionals while enjoying world-renowned Cuban music and art.
