

## Default Question Block

Dear Faculty and Chief Residents:

Each year, the department recognizes individuals who have contributed to the department's mission of service and teaching. The awards are described below with the list of previous awardees.

We seek your nominations. These awards are important for the faculty and call for thought and reflection on those who deserve recognition. Please offer specific examples of how your nominees meet award criteria.

Nominees will be presented, discussed and voted on by the Leadership Team in September. Awardees will be honored at the Department's Annual Awards celebration on Tuesday, October 28, 2025. The deadline for nominations is Friday, September 26, 2025.

Your name

### **Diversity, Inclusion and Health Equity Award (one award):**

The department seeks to recognize extraordinary work to advance diversity, inclusion, and health equity. Any department faculty member may be considered. Criteria may include:

- Serving as a role model for others as a champion of diversity, inclusion, and health equity through clinical contributions
- Serving as a trusted teacher and mentor for faculty, residents, and students underrepresented in health care and science
- Developing innovative curricula to advance diversity, inclusion, and health equity

Past Award Recipients:

2024: Shahida Fareed

2023: Jennifer Bradford

2022: Katharine Barnard

2021: Claudeleedy Pierre

**Your nominee for Diversity, Inclusion and Health Equity Award 2025:**

**Why you are nominating this faculty member for the Diversity, Inclusion and Health Equity Award:**

**Education Awards (two awards):**

Through the Educational Incentive Awards, the Department recognizes excellence in educating learners of all levels, including students, residents, and faculty development. Faculty members may receive an award once in a three-year period. Criteria may include:

- Junior or mid-career faculty; full professors are not eligible
- Nominees can be individuals or teams
- Innovation in teaching and/or scholarly activity
- Extraordinary service in teaching, mentorship or curriculum development
- History of internal teaching awards or external recognition (such as peer review) for the work is not required
- Completion of work that makes a substantive contribution to the Department's strategic plan
