

Caregiver Photography Show

Open call for Photography Submissions!

We are thrilled to announce our Caregiver Photography Show. You are invited to participate and submit your best photographs. Submissions **open October 1st, 2026 and close December 15th, 2026**. Those selected will be displayed for the entirety of UMass Medical Health to see.

Here are a few examples of themes we are looking for:

- Outdoors
- Travel
- Science
- Celebrations of our region

Here are some things to avoid:

- Please No Portraits
(People may appear but should not be recognizable)
- Please avoid using filters on your photography where possible

Requirements of Photography:

- Photos should be able to print at 16 x 20 inches.
- Panorama Photos can be up to 24 inches wide.
- Resolution of Photos should be 300dpi
- We are looking for both Horizontal and Vertical Photo orientations.
- Maximum of 2 submissions per person

More information about how to submit to follow.
