Stampin' Seal	152813
Stampin' Trimmer	152392
Blending Brushes	153611
Heartfelt Hexagon Punch	162888

Instructions:

1. Using the Stampin' Trimmer, cut a piece of Petal Pink Cardstock in half (5 1/2" X 8 1/2") and score (4 1/4"). Cut a piece of Garden Green Cardstock (5" X 3 1/4"). Using a scrap Basic White Cardstock, punch out a shape from your Hexagon punch. Pick out two die-cut pieces and place them off to the side.
2. Pick the DSP that works for you from the Frames & Flowers bundle pack. Cut out three pieces each (1 5/16" X 3"). Layer them onto the Garden Green piece using Stampin' Seal Tape. Add the Stampin' Seal to the back of the Green piece and layer onto the Petal Pink Card base.
3. Using the stamp set Poised Peony, pick out the best birthday wishes stamp. Using the Garden Green Marker to add color to the greeting—birthday wishes. You will omit the word best. Stamp onto the punched shape. Next, you will use the small peony stamp and ink it in the Petal Pink Ink pad. Stamp off onto scrap paper and stamp onto the punched shape greeting. Do this several times. Add a bit of the Petal Pink Ink color on the punched piece by using a blending brush.
4. Now, add the two die-cut pieces behind the punch shape with Stampin' Seal. Add dimensionals and place the punched shape onto the card. Any added embellishments are optional.
