# WHAT IS PRECINCT ORGANIZATION?

WHAT IS A PRECINCT?

Wilson County is divided in 24 sections also known as precincts, all of which have their own designated voting location. These 24 precincts are each lead by a Precinct Committee. All power in the Democratic Party derives from your precinct.

ANNUAL PRECINCT ORGANIZATION MEETINGS

Every year, each precinct across the state meets at least once. In odd-numbered years, each precinct with at least five registered Democrats in attendance; forming a quorum, will elect precinct officers, as well as select delegates to represent the precinct at the county convention. This entire process is known as Precinct Organization.
