

Thank you for your interest and congratulations on taking your first step toward being the best you can be in your career & having the best in your career.

**Here's a little bit more information about the free, no obligation, maximized phone call to see if this is a fit for you:**

- 1) For planning purposes, the call can last up to 30 minutes, so please plan accordingly.
- 2) The purpose of the call is for us to ask & answer any questions we have for each other & for me to provide free price quote(s) (if applicable). The purpose of doing this is so that we can find out if we'd be a good fit for working together. The call is **not** intended for me to be reviewing LinkedIn profiles and/or resumes and/or cover letters, etc. for my opinions/feedback/recommendations. You can purchase my career consultations (they are located in the middle of this newsletter). :)
- 3) I will need you to provide me your phone # to call you at PRIOR to confirming our call so that I can confirm back with you that I have your correct phone # (I have to confirm as there's been a few times I've either **not** gotten the potential client's phone # OR I've been given the wrong # by accident). Let's set ourselves up for success, by replying back to me to say that I have your correct phone # or I don't & provide me the correct one when I ask you if I have it correct. :)
- 4) I will develop personalized questions to ask you PRIOR to our call & send them over to you so that you can think about them (or at least look at them) prior to our call. Again, of course feel free to ask any questions you may have at the call, too.

5) **\*\*IMPORTANT\*\*-** Please wait for a confirmation that we are scheduled prior to assuming a call is scheduled. **If all the above sounds good to you, then please email me at: [info@worksolutionstoday.com](mailto:info@worksolutionstoday.com)** and request setting up a free, no obligation, maximized phone call as well as include a little bit about your situation & how you think I can help as well as your phone number that you'd like me to call you at when the call is confirmed.

Thank you! 😊

To your career success, happiness, & fulfillment,
