

CHRIST LUTHERAN CHURCH & SCHOOL

A STEPHEN MINISTRY CONGREGATION

"Sharing God's love with all His children, while growing together in Christ."

CHRIST CHRONICLE

MAY | 2022

FROM PASTOR ERIC

I've now been here long enough to write two newsletters! And while I am finally able to locate where most things are on campus, there is still so much to learn about the Christ Lutheran community. One of my favorite refrains that I have said so far has been, "We do that? Great!" It's very exciting to be part of a community that takes service to others so seriously. Being in a community that is filled with so many leaders who are happy to work quietly on the things God has put in front of them makes a huge difference to people that really need the help. If I am being honest, this is the kind of thing that would make plenty of my colleagues a little jealous.

Now that we are out of Lent and past Easter, it is a great time to remind ourselves that everything we do is because God raised Jesus from the dead. Serving the vulnerable and those in need is a great thing in and of itself, of course, but we don't do these things simply because they are the right things to do. Instead, we serve others because our service is part of a much larger story of God renewing all things in the wake of Resurrection Life breaking into our world.

In 1 Corinthians 15, Paul gives one of the most important summaries of why the resurrection of Jesus is so vital to us as followers of Jesus. He talks about how if God hadn't raised Jesus, nothing we do would matter and that we would still be dead in our sins. He also gives us the promise that what God did for Jesus, he will do for us as well. Finally, at the conclusion of this chapter (one of the most important in all the scriptures), he also says this (vs 58): *Always give yourselves fully to the work of the Lord, because you know that your labor in the Lord is not in vain.*

In other words, the work we do for the sake of the Gospel has meaning. It carries over and won't just disappear. It *matters*. And one day, when all is said and done and Resurrection Life is all over creation, we will be able to look back and get to see that while God did everything, we got to play a small part in it.

He is risen indeed. Alleluia!

WAYS WE CAN GIVE THANKS!!!

I am writing this month's article in the midst of our Holy Week Worship. This is a very contemplative time for me as I reflect on the ultimate gift that Jesus has given us in His death and resurrection – with His blood wiping away all of our sin and making us whole in His perfection, so we can share an eternal life together.

Such a wonderful gift because God loves us so much. Now I don't know about you, but I can say very unequivocally that if I were to rely on my good works I would fall dismally short of redemption. Thankfully, God has taken care of this for me.

It is for this reason my heart rebounds in a desire to serve. This desire to serve grows all the time, knowing it does not gain me any favor, but it does show an outward representation of what God has done for me, and I truly believe it is driven by The Holy Spirit.

You too may be looking for ways to serve, in gratitude for what Jesus has done for you. As we move into the late Spring and Summer months I can share a number of ways you might be able to serve in our faith community, knowing that there are also many other ways so many of you are already serving and giving already.

Just a few ways you might be able to serve that would help immensely as we open up more in worship and meet the challenges of summer. A few ways you might consider serving in worship. We are in great need for ushers and counters.

Ask any usher or counter how to get involved and I am sure they will give you great direction. If you don't know any, look for me on any Sunday morning and I will direct you to them.

I also know we could use help with our School Field Day on May 13. This is a fun one day service helping with food, games, races, traffic control and more. It is a wonderful way to support our school as it shows it's love to other Lutheran schools in our area.

As I mentioned last month, we are in desperate need for volunteers to support our VBS this year. Janine, our Administrative Assistant, has volunteered to serve as the Chairperson this year, but cannot do the job without leadership help and volunteers. This is a one-week commitment and a HUGE outreach opportunity.

Many neighborhood and school children attend our VBS. This is a way for us to share the Gospel. In the past it has led children and families to involvement in both our school and church. This is true kingdom work.

Also if you are looking for ways of serving through your financial gifts, we are in great need going into the summer, which is our most challenging time of the year financially. Our Mission and Ministry is a twelve-month ministry. God has gifted us with many mission opportunities through our school, God Cares About You, the Matzke's, and Benjamin Helge.

We also have large expenses in upkeep of our campus, utilities, church and school staff, worship and more. This results in a very large budget, well over 1.2 million dollars, with the majority supported by our gifts and school tuitions.

This year with the lingering pandemic, and our six-month Pastoral vacancy, (historically giving falls off during vacancy) we have fallen behind on our projections for financial giving.

FROM STEPHEN MINISTRIES—Care Receivers Tell Their Stories

The Stephen Ministry, St. Louis headquarters share... "over the years, well over one-and-a-half million people have benefited from the one-to-one, Christ-centered care of a Stephen Minister. This care is entirely confidential—no one knows the identity of a care receiver except for their Stephen Minister and the pastor or Stephen Leader who paired them together."

Take a moment to read a few testimonials from people who have benefited from having a Stephen Minister:

*Although my needs changed as I went from wife to caregiver to widow, my Stephen Minister's love and support remained a constant. She was **there at every stage of my journey**, helping me through some of the most difficult moments of my life—so I could begin to heal.*

- Susan ●

*When things seemed like too much to handle, **my Stephen Minister brought normalcy and calm**. With him by my side, I knew I could make it from one week to the next. I could feel God's presence when my Stephen Minister was there.*

- James ●

*My Stephen Minister listens—really listens. **He doesn't judge me or tell me what to do** but walks side by side with me. I never realized how helpful and healing that can be. With his care and support, I'm making it through.*

- Brian ●

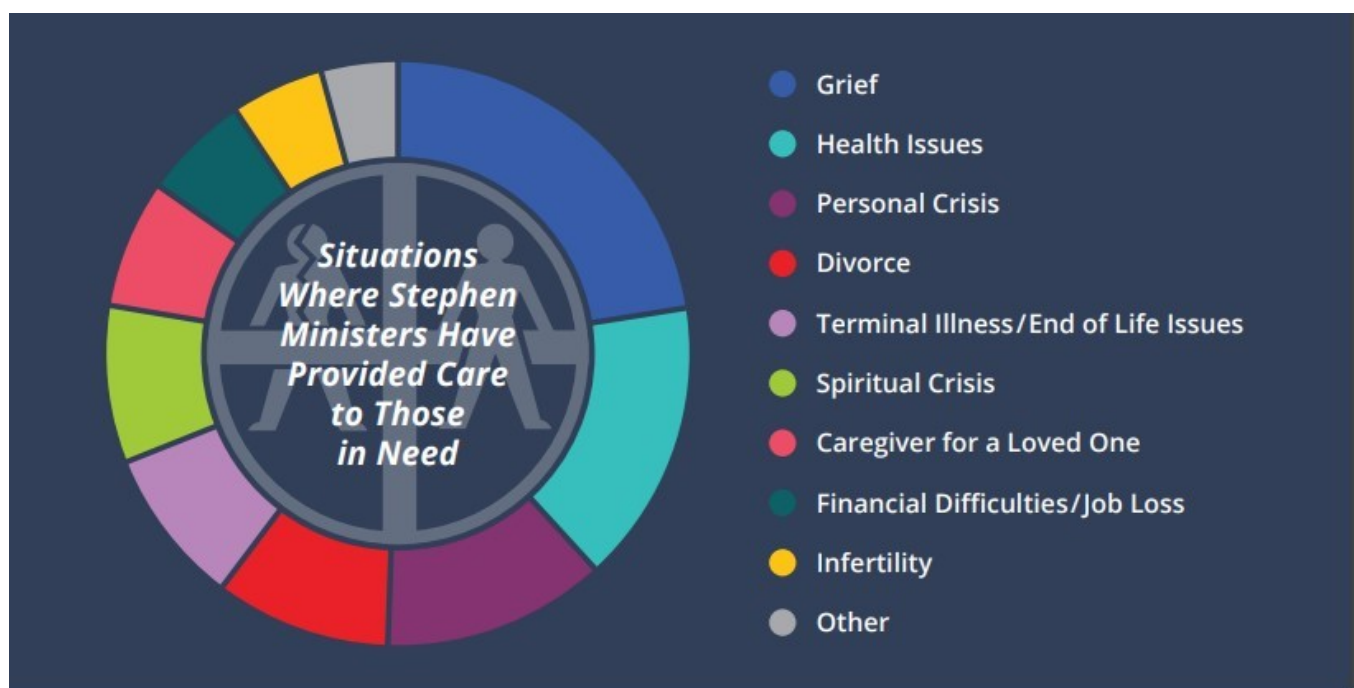

*I needed to know that there was one person in the world who knew the good, the bad, and the ugly about me—and still cared for me. Experiencing that through my Stephen Minister was **a tangible expression of God's love**. It changed my life.*

- Julia ●

I just didn't know how to handle my anger at the world and at God. My first visit with my Stephen Minister opened me up with tears and feelings I hadn't shared with anyone. What a relief to have someone listen without judgement and reassure me God will never leave me, no matter how hard I try to push Him away. I'm so grateful for my Stephen Minister and her support for over two years of meeting together. God worked through her to heal my heart.

- Doris ●

If you would like more information about Stephen Ministry, whether to request one or to serve as one, please speak with any of the Stephen Leaders on Sunday mornings. We're the ones with the blue name tags: Sue Dragan, Cheryl Frazine, Leslie Helge, Rev. David Clark, David Yocky, Jerry Shroff.

FROM THE PRINCIPAL

There's a quality of the spring time sun that makes it understandable why the cat loves to bask in its warm light. On a cool crisp day, you can raise your face to it and feel it's warmth penetrating your eyes, your skin, and your soul. Sitting, enjoying the feeling, sometimes you can also hear the birds singing. Their song of joy brings forth the feelings of hope. Can you just imagine how it will feel to raise our faces to Jesus, who will be the source of light in heave? That sounds so wonderful and peaceful. Someday...

Together in Christ,
Kim Rasmussen

FROM STEWARDSHIP

2020-2022 CAPITAL CAMPAIGN UPDATE

I realize it's only May and football season is months away for us diehard fans – so pardon the analogy.

The Capital Campaign is in the fourth quarter and we're at the 10-yard line pushing for victory. After 18 months of this 2-year effort, we've collected a little over \$180,000 towards our goal of \$200,000. The needs were critical – replace the church and school roofs, repair numerous issues at the Parish Hall, and infuse capital into our depleted endowment fund.

With six months remaining, we're asking those with outstanding pledges to continue their commitment to this fund drive – about \$12,000 is the amount of pledged donations outstanding. And for everyone, whether you pledged or not, we prayerfully request any support to the "roof fund" over this final stretch to bring us over the goal line - \$200,000.

Tom Hebblewhite, Board of Stewardship

NOTES FROM THE MUSIC DIRECTOR~

*Worthy is the Lamb whose death makes me His own!
The Lamb is reigning on His throne! LSB 547*

The Easter season lasts through the month of May. We will continue to sing Easter hymns and songs at worship that proclaim and share the victory that is ours through Jesus Christ! I like to keep track of how many of those songs we get to use during the season. I do the same for each season of the church year: Advent, Christmas, Lent, and now Easter. Hopefully I don't leave out your favorite.

How wonderful it has been to have our choirs back for this year! We will be taking a break for the summer, but I have so enjoyed having the special music back in our worship, as well as the great fellowship that comes with weekly rehearsals. Consider joining us when we start up again in September!

It's hard to believe this school year without so many covid restrictions is almost over! We were able to have band and choir in the school. Their May concert is on Thursday, May 12 at 7 p.m. in the sanctuary.

The Bell Choir is playing "Playful Interlude on 'Jesus Loves Me'" on May 1 and Diversion (Glorious Dawn) on May 8. "Peace I Leave with You" will be a choir anthem this month sometime. We hope to add a few more anthems before we take our summer break.

Thank you for your appreciation of the choirs and the music!! It truly is my joy to bring our praises to Him, our God—Father, Son, and Holy Spirit!!

~ Beth Shroff

FROM THE TREASURER

Hello! My name is Jessica Nixon and I am excited to serve as the treasurer for Christ Lutheran Church and School. I am a lifelong member of the church, having grown up attending Sunday school, completing confirmation classes, and folding countless brown paper bags for luminarias as fundraisers to attend the National Youth Gathering.

I went on to follow my childhood dreams of becoming an attorney and currently practice with a local firm here in Albuquerque. After completing a period of service as a treasurer for a non-profit organization, the opportunity to serve in a similar capacity for CLC-S was a calling I could not ignore. I look forward to the privilege of serving as your treasurer!

Rather than blast you with numbers as I am just beginning to get comfortable with them, I plan on digesting them, learn all the accounts, procedures, budget vs outside budget items and then build reports that can make sense to you over the next few months.

I find it amazing how much our congregation accomplishes both on budget and over and beyond budget through special projects, grants, legacy giving and more. What a joy it will be to serve and report the positive things going on here at Christ Lutheran Church and School as well as challenges and opportunities as they come up as well.

In Service,

Jessica Nixon
Treasurer, Christ
Lutheran Church
and School

We have time to make up this deficit, prior to the end of the fiscal year, in July. If you are led to give a bit more in support of our Mission and Ministry, this May, June and July, it will come at a much-needed time.

We are, and always have been, a giving congregation. That said if you are led to give more now would be a great time to do so. Also please, if you are giving already at the level God has led you, that is good too. Half-jokingly, I say, PLEASE do not take the summer off.

Finally a fantastic way for all to serve and give is in Prayer. Please pray for God's continual will and vision for our church and school to be followed. Please pray for our members, and students; our Pastor and faculty; our outreach opportunities and missions in our neighborhood and across the world.

God is so good. God has given us the greatest gift in Jesus. Let us respond with our gifts, service and love.

God's Peace,

Congregational Chairman—Jerry Shroff

It is said, "April showers and brings May flowers." Well, after this year's Good Friday, 5-mile Cross Walk, it isn't just April who needs a shower, and not only May deserves flowers. A joyful shout to Freddy, our resident volunteer, who volunteered to carry the 8 ft long cross for most of our journey to Wyoming, to San Mateo and back again. I carried the cross for a mere ½ mile before my demons, I mean health, caused me to forfeit that burden. As **2 Corinthians 5:15** reminds us, *"He died for all, that those who live should no longer live for themselves, but for Him who died for them and was raised again."* This year's annual event witnessed the serving of pizza and sodas to more than 50 denizens of our International District.

Typically associated with those flowers, the Kentucky Derby and, of course, Mother's Day, this year adds a new hallmark for May celebrations. Starting in May, God Cares About You will be open four days a week. Traditionally, the Mission has been serving the International District on Tuesdays and Thursdays, with the fourth Wednesday reserved for the Road Runner Food Truck event and our Children's Ministry during the school year on Saturdays.

This month, the Mission will be open and serving the community on Mondays and Fridays, too. With new ministries being introduced at the Mission (and the continuation of existing ones), the addition of two more days will allow more opportunity for Christ's servants to reach God's children. The **GCAY** family invites you to come witness and participate in God's glory as we serve our less fortunate brothers and sisters in Christ.

God Bless Your May. May it be filled with flowers and PLEASE don't forget those showers.
