## FROM PASTOR ERIC

Lent is already here, and I'd like to invite you to join us for our midweek services at 12 and 7 pm on Wednesdays. This year, we will focus on six significant locations from the final days of Jesus' life. Each place tells a story of love, sacrifice, and redemption, drawing us deeper into the meaning of Jesus' journey to the cross.

If you'd like to read ahead and otherwise prepare yourself for each week, here are the locations and readings:

- ✠ March 5 - Overlooking the Temple—Tragedy, Loss, and Repentance (Luke 19:41-48)
- ✠ March 12 - The Upper Room—A Place of Service and Sacrifice (Luke 22:14-30)
- ✠ March 19 - Gethsemane—A Place of Surrender and Struggle (Luke 22:39-53)
- ✠ March 26- The Courtyard—A Place of Denial and Regret (Luke 22:54-65)
- ✠ April 2 - Golgotha—A Place of Suffering and Salvation (Luke 23:33-49)
- ✠ April 9 - The Tomb—A Place of Waiting and Victory (Luke 23:50-56)

Each week, we will explore these sacred places through Scripture, reflection, and prayer. I hope and pray that this journey prepares our hearts for the hope of Easter morning.

Peace,  
Eric Robinson

## FROM THE DIRECTOR OF YOUTH, FAMILY LIFE, & SCHOOL MINISTRIES

If you attended school chapel services in February, you may recognize this story! It was too much fun talking with the kids about it not to share here as well.

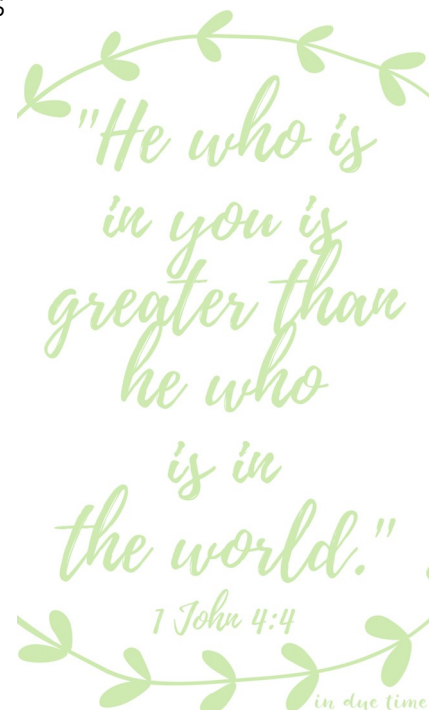

When we see an animal in the wild, whether it's a lion, a bear, or a snake (or the scariest wild animal ever – a hippo), we can experience an inherent sense of unease. At least I do! These creatures, that are untamed and unpredictable, remind us of the raw power and danger that exist in the world. The wild can be mysterious and often frightening – especially if you are unprepared for a fight.

When we see the same animals in a zoo, our feelings change. Instead of being paralyzed by fear, we can be curious. We can look at the animals up close. A barrier, whether a fence or glass, keeps us separated. The zoo provides a controlled environment, where the same dangerous animals no longer have the power to harm us. We can identify their strength without experiencing the same panic that would grip us in the wild.

In many ways, this zoo experience can help us understand the nature of evil and the protective power of Jesus. Just as the zoo's barriers protect us from powerful and unpredictable animals, Jesus stands as a barrier between us and the dangers of evil. Evil, like the wild, can be terrifying and overwhelming. It can take many forms—fear, temptation, sin, suffering—but through Christ, we are shielded from its ultimate harm. He is the one who keeps us safe and helps us face life's challenges.

In 1 John 4:4, it says, "The one who is in you is greater than the one who is in the world." This verse reminds us that, while evil is real and frightening, Jesus is greater. Just like the zoo's barrier protects us from dangerous animals, Jesus protects us from the ultimate harm that evil can bring. He makes what could be terrifying no longer scary.

Warm regards,  
Director of YFLSM—Deaconess,  
Elizabeth Dobbelaire

## GROWING THROUGH SERVICE

February was certainly a busy time of Fellowship here at Christ Lutheran Church and School. We started the month on a high note with the conclusion for Lutheran School's week and our school children participating in the Church Service followed by our traditional Women's Luau and Men's Meat, Meat, Meat, a time of Fellowship with our school and church families.

Throughout the month we had our Wednesday night Fellowship meals, bringing together church and school members and families for various causes, great food and fun. Add to this a great Chili Cook-Off and it was a full month of fellowship for all.

As I write this we have not had our Gala yet but all indicators point to it being a great night of celebration as we collectively support our School Scholarship Fund. Now that makes for a full month!

We also have lots of things coming up. Our season of Lent begins on Ash Wednesday, March 5th with Wednesday services at Noon and 7pm. This is a time of reflection as we worship and reflect on what God has done for us through Jesus Christ's life, death, and resurrection.

During the Lenten Season this year, Pastor and our Stewardship Board will be holding our Commitment Campaign. This is a time where we all can prayerfully consider how we can support our Mission and Ministry and assist in planning for the year ahead. There will also be a special emphasis this year on how we can not only plan how we can help financially, but also as we reflect on how we can give with our time and our talents as well.

We will be trying to bring awareness to many of the ways you can serve and volunteer in many capacities within our church and school. I am especially excited about this, as I know, from personal experience, how serving can be so beneficial to Spiritual

growth. Please prayerfully open your heart to the many service opportunities that are available.

Just a few of the opportunities to serve include working with our Mission God Cares About You, serving with our worship through ushering, counting, being on the Altar Guild, singing and ringing with our choirs, and Joyful Noise, reading our scripture lessons, and more. Also you can serve by teaching and assisting with Sunday School, our Youth Group, assisting with SCRIP/RaiseRight, our Stephen Ministry, our School, and more.

We change our boards every two years and this spring we are looking for new and old board members to serve the next two years. This gives you an opportunity to assist with Properties, Youth, Missions and Outreach, and Fellowship just to name a few of the boards. If you have a desire to serve in a particular area please let somebody know. If you are asked to consider serving in an area, please prayerfully consider it. What I can PROMISE YOU is that the blessings in serving will come back to you abundantly.

This is a busy time for our Church and School. It is also a time of reflection on how we can respond to what Christ has done for us with the gifts that He has given us. I hope you are as excited about this time as I am.

God's Peace,  
Congregational Chairman—Jerry Shroff

## OUR HOPE IS FOUND IN CHRIST

I've always enjoyed lottery tickets, not because I think I'm going to win, but because I think they represent hope. Hope of winning some money, which allows me to dream big. Those moments spent thinking of all the ways I could help others, or finally start that El Skippido Friskitto Chihauhau Rescue Mission, lighten the spirit and bring a little joy. But our hope in the Lord is so much better. We don't have to "wish," but can fully rely on what we can't see yet, and that is good news. Moments spent thinking about spending time with Jesus, loved ones, and all the chihuahuas I can stand, are moments well spent because they inspire me to share the good news with others! God loves you, and so do I, so spend a few of your moments thinking about what you might do if you won a thousand dollars but spend more thinking about how you will be spending eternity! Hebrews 11:1 "Now faith is confidence in what we hope for and assurance about what we do not see."

## NOTES FROM THE MUSIC DIRECTOR

*"This is My Son, My Chosen One; listen to Him!" Luke 9:35*

March 2 is Transfiguration Sunday. We hear the words of the Father echoing the blessing He spoke at Jesus' baptism. The glory of God lights up the world and shows us our destiny as adopted children and coheirs with the King of His glory in heaven. Moses and Elijah, who appeared with Him, speak with Him of His departure and what He must accomplish in Jerusalem. We are one with Him as we walk with Him on the path that leads to His death and then His victorious resurrection! The choir anthem is "This Is My Beloved Son." The 11 a.m. service will be led by our Kindergarten-3rd grade presenting "Donkey Tales."

The season of Lent begins on March 5, Ash Wednesday. The choir anthem is "Touch Me with Ashes." During church services, we receive a cross of ashes on our forehead reminding us of our human mortality and as a sign of our repentance, sorrow, and need for grace. In Baptism we were made His children, and the Holy Spirit continues to work in us through Word and Sacrament until that day when we experience the fullness of God's grace at the throne of the Lamb.

Our worship series this year for Lent is entitled "Lenten Locales." Each Wednesday we will focus on a different place along Jesus'

journey, and what they mean for us. You may join us each Wednesday at noon or 7 p.m.

The bell choir anthem on March 9 is "Jesu, Jesu, Fill Us with Your Love."

Also, on Sunday, March 9 we are helping host Concordia Wind Symphony from Seward, Nebraska. They will present an evening of music at 7 p.m. in our sanctuary. Please come and invite friends to join you! Grace Lutheran is providing a meal for them before the concert at 5:15 p.m. in our Parish Hall. The kids need a place to sleep that night! We could help provide that; all the area Lutheran churches will be asked. We need a total of 30 homes. Please let Janine know in our church office if you could help in that way. Your hospitality is needed and appreciated!! They are to return to CLC-S Monday morning between 7-8 a.m. They will actually provide an assembly for our school before they head back out of town by 10 a.m. Thank you in advance for attending and possibly hosting!

Thursday evening, March 6, at 6:30 p.m. our school choirs will have their concert. Fifth grade will have a couple songs from "Wicked" and the Sixth graders each have a "pop" solo for you. Come and enjoy!

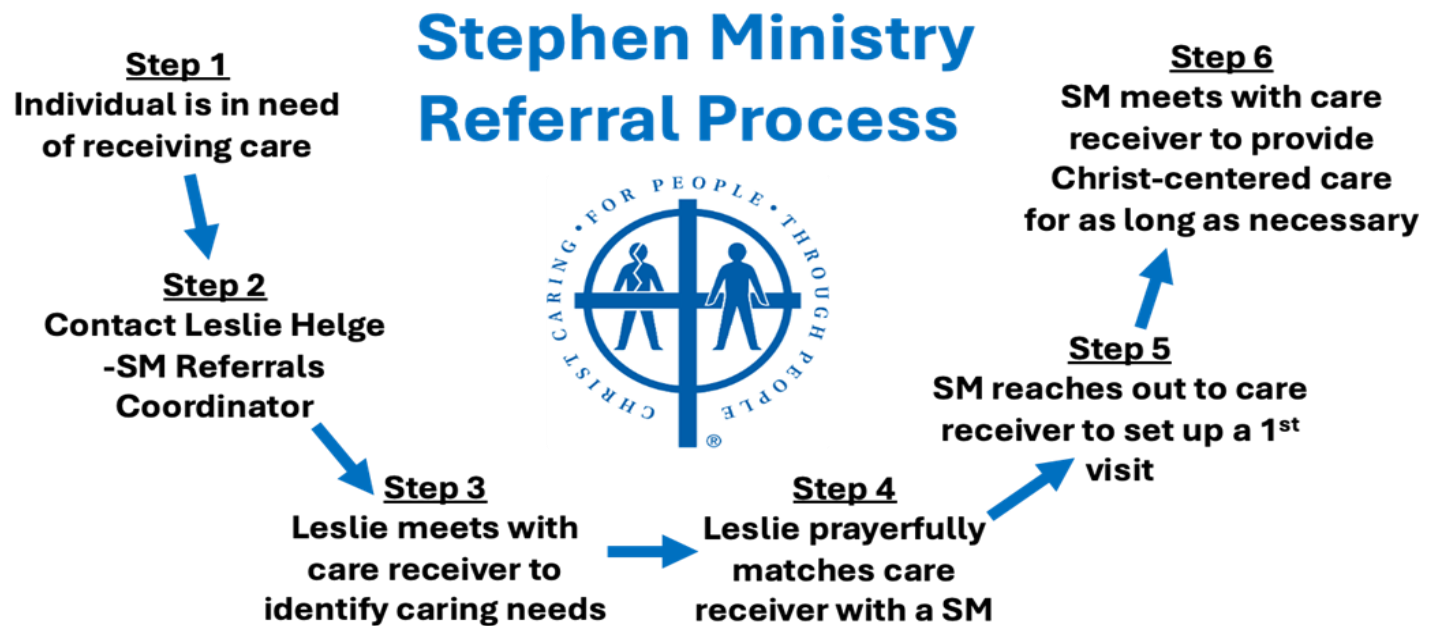

Blessings to you as you live your life covered in God's grace, love, and mercy!

Music Director—Beth Shroff

## FROM STEPHEN MINISTRY

Do you know what to do if you (or someone you know) could benefit by receiving care from a Stephen Minister? A Stephen Minister is as confidential companion that meets with someone in need on a weekly basis to listen, care, encourage, pray, and provide emotional and spiritual support for as long as they need it. Men are paired with men; women with women. The diagram above illustrates the steps to take to refer someone to Stephen Ministry (SM) here at Christ Lutheran Church and School. For more information, please contact a member of the Stephen Ministry team or visit our website.

## FROM STEWARDSHIP

As we endeavor to meet the challenges set forth in the past year and work to implement the goals from our Vision Task Force, we will continue our annual pledge process with "Commitment 2025" on Commitment Sunday, March 30th. Pastor Robinson will communicate special emphasis this year on the weeks prior to pledging by recognizing the many missions supported by Christ Lutheran, and the concurrent need for time and effort from congregation members to sustain these programs.

We're now more than halfway through the fiscal year of 2025. Thus far this year's budget goals are being met. Our successful scholarship fund drive, the Gala, and your

consistent offerings were necessary to help us transition to a sustainable financial framework for the future of Christ Lutheran Church and School. Offerings are up over 8% from last year. The scholarship fund has received over \$70,000. Combined with the February Gala, these inputs are essential to meet this year's budget goal.

But this is only an initial step to achieving the growth process outlined by the Vision Task Force. We need your on-going support to implement their 3-year plan, both financially and with opportunities to serve. Join us on March 30th to commit to the future of Christ Lutheran Church and School.

God's Blessings,  
Tom Hebblewhite, Board of Stewardship

## GCAY MARCH NEWSLETTER

Praise God we only have a few shelves to hang and our kitchen renovation is complete. Praise God that during the renovation our great staff and volunteers continued serving meals. Thank You!! By God's grace and the support from many people we:

- Upgraded the electrical service to the house and provided all new service in the kitchen.
- Removed a wall, bathroom and storage room. Added new lighting.
- Rerouted water lines and fixed two major sewer issues.
- Purchased a refrigerator, freezer and stove.
- Leveled a 2" drop in the floor. Installed all new subflooring and vinyl flooring.
- Installed new work tables. - Painted

Why renovate the kitchen? The renovation enhances and sustains our ability to serve 6 meals each week for 50 – 100 people at each meal. Meals provide us with a great opportunity to build community, establish relationships and provide opportunities for the Holy Spirit to work.

A Story: Through our Bus Ticket Home Program, we recently helped a homeless individual reunite with his family in Lake Charles, Louisiana. This journey back home offers him hope, a fresh start and a reminder that God's loves him. Thank you for supporting your mission as together we "Transform Lives Now and for Eternity."

May God Bless and Keep You!

## A FEW THOUGHTS ABOUT A “CRYING CHURCH” AND OUR VISION

A few months ago, I saw an article entitled “We Need a Crying Church”. The author was lamenting how quiet our churches have become because there are no babies crying or restless toddlers. Congregations have grown old and quiet. We are losing the next generation.

The last Sunday in January at the late service the children from our school sang. Young families filled the church. The church was noisy before, during and after the service. Quite a contrast to our normal Sundays.

In early January the Vision Task Force and the Council presented a Vision to the congregation seeking to answer the questions: Where is God leading? How are we going to get there? Allow me to update you on our progress.

We seek to grow God’s Kingdom as we renew the congregation and provide a sustainable financial future for our school; our primary mission field. These are actions that have been completed or are on-going.

- More youth involved in the worship service. (Ongoing)
- Seek more volunteers. (Volunteer focus will be part of our March Commitment process.)
- Host classes for members, school parents & others. (Gift Planning Workshop completed.)
- Provide School Newsletter to congregation members. (Done)
- Lay Ministers are contacting 50% of members by Easter & 100% by Memorial Day.
- Strengthen relationships with school families. (Ongoing)
- Renew youth program. (Ongoing)
- Complete Capital Campaign for Scholarship Fund. (Exceeding our \$110,000 Goal.)
- Establish Sustainable School Funding Model (Ongoing)
- Host School Fund Raising Gala – (Done)
- Reduce Expenses (Ongoing with current budget process.)

Your suggestions and involvement are needed. Our vision is a work in progress. YOUR PRAYERS ARE NEEDED as God works His will in our congregation. We have not yet developed a nice short Vision Statement. But on the Sunday the children sang God gave us a video: A Noise Filled Church.

Blessings,  
Al Koschmann, Vision Task Force Committee
