### FROM PASTOR ERIC

When I think of November, it's hard not to think of Thanksgiving. This year is no different, except I'm also skeptical about the sudden drop in temperature, as well as the fact that ice fell from the sky yesterday (10/24) morning. Also, we just learned that our cats are terrified of the heating system in our house.

Anyway, back to Thanksgiving. It's really important to set aside time to be thankful, considering how easy it is to get caught up in everything that is happening around us and to forget how blessed we are. Gratitude is a discipline. St. Paul practiced this, and you can see it play out in his letter to the Philippians. He was in prison, unsure of where his next

**IT'S MORE THAN ADDITION & SUBTRACTION**

Our refugee tutoring program is so much more than teaching addition and subtraction; teaching children to read; helping and assisting these students with their homework and bringing them up to speed in class. It is so much more, because it is truly work, to assist these children and their families to not only grow academically but to grow into the family of Christ.

For those that do not know, we have an African Worship Community that meets at 1pm on Sundays in our church. I have had the opportunity to go to this worship and see the passion for Jesus in the community. I urge you to do also. Some in this community also worship at our traditional services on occasion. A number of them have children in our school. They participate in our fellowship events. They are a part of our church and school family and the family of Jesus.

When we moved the refugee tutoring program up to our church and school at the beginning of the school year we did so for a number of the reasons. One, because most in the program live across the city and no longer in the international district. Another big reason we moved it is because a number of those involved worship at our church and are involved with us in our church family.

By bringing the program to our church and school we are welcoming them into our church family. A number of these children come from families that are not part of the one o'clock Worship community, do not have a relationship with Jesus at all. This program gives the opportunity for them to bridge into that community as well as learn their numbers and ABC's. It is an opportunity for us serve and be ambassadors for Christ.

When I was growing up I went to a neighborhood gym to play basketball. It happened to be a part of a church. People I played basketball with invited me to their youth group.

From there, I joined the choir, started going to Bible studies and worship and soon The Holy Spirit led me into a relationship with Christ. Following me came my sister, brother and parents. All today have either died with the love of Jesus in their hearts or are now active in their faith. This is my story.

It is my Prayer that the same can happen with our tutoring program. That these kids come for help with their math, science, history and reading but are fed not just academically, but with their faith. My prayer is that some then join our worship community, either at 1pm or 11am or 8:15 am. That some of them come to our school.

## FROM THE MUSIC DIRECTOR

Give thanks with a grateful heart,  
 Give thanks to the Holy One,  
 Give thanks because He's given  
 Jesus Christ, His Son.

CCLI #119684

November begins with All Saints' Day, which we will observe on Sunday, November 6. We give thanks for the children of God who have taught us and led us and are now in the presence of God. We are so thankful for the salvation provided by God through His Son! What a crowd of saints is surrounding Him in heaven singing and rejoicing! One day it will be our turn to join the feast and call heaven our home! How wonderful that will be!

During these last Sundays in the church year, we hear of the second coming of Christ when the earth shall pass away and all believers will be taken up with Him into heaven. What shall we do while we wait for that day? We use the gifts He's given us to worship and serve Him while we proclaim His love to all those we meet.

November 20 is the Last Sunday of the Church Year. The Bell Choir is planning to play that day.

It is our duty to give thanks to God for all the many blessings He provides us! To thank God is to acknowledge that who we are and what we have is His doing, not our own. Join us Thanksgiving Eve, November 23 at 4 p.m. or at 7 p.m. to worship Him.

The new church year, with the hopeful season of Advent, begins on Sunday, November 27. Are you ready to hear the beautiful words of hope and promise that Advent brings?

Dear Lord, please lead and guide us this month as we choose and prepare services and music to deliver the message of Jesus' birth next month. We want the world to know of Your amazing love for us! Amen.

Thankful for each of you and the God we serve together!

Beth Shroff

meal was going to come from, and they showed up in a big way. And in response, he wrote an extremely joyful letter thanking them and praising God for what has been done. This is a little weird to me - he's incarcerated while also being thankful. There is much to learn from that.

I also want to thank you all, the Christ Lutheran community. Pastor appreciation month was very special, and thank you to everyone who passed along kind words, notes, and gifts. I am very fortunate to be able to serve y'all, and my family and I are so grateful to be a part of this community.

Happy Thanksgiving (about 3 weeks early)!  
 Peace,  
 Pastor Eric

"Rejoice in the Lord always, again I will say, rejoice."

Philippians 4:4

## ADVERSITY

As you may know, I love sunflowers. Every summer we grow them in our front yard and I delight in watching them follow the sun until they bloom their gorgeous yellow flowers. As you also may know, Albuquerque can have very strong winds. One of our giant sunflower plants blew completely over. Fortunately, at the time, we were too busy to do much of anything about it. We just let it be, and as you can see from the picture, it not only continued to live, but it's thriving.

I think that's a picture of the kingdom right there. We too experience strong winds in our lives, that can knock us down. But when we rely on God, he can take our adversity, and help us not only overcome it, but grow through it. 1 John 5:4 "For everyone who has been born of God overcomes the world. And this is the victory that has overcome the world—our faith."

Together in Christ,

Kim Rasmussen

## EVER THOUGHT ABOUT BECOMING A STEPHEN MINISTER?

Christ Lutheran will be training another class of Stephen Ministers beginning January 2023. Stephen Ministers work alongside Pastor Eric and our Lay Ministers to care, encourage, and provide emotional and spiritual support to people who are going through a difficult time, such as divorce, grief, hospitalization, unemployment, terminal illness, relocation, chronic illness, or loneliness. If you have gifts for caring, encouragement, and listening, please begin to prayerfully consider whether you might want to be part of this exciting ministry. If you think you might be interested, talk with one of our Stephen Ministry Leaders: Cheryl Frazine, Sue Dragan, Leslie Helge, David Yocky, Rev. David Clark, Jerry Shroff.

## A NEW CHALLENGE

On September 30th, we concluded the 2020 -2022 Capital Campaign to fund roof replacements, Parish Hall repairs and a depleted church endowment fund. With the successful conclusion of that drive, the "Roof Fund" no longer exists, but reverts to its original status as our "Building Fund."

Which brings us to another appeal – not a formal fund raising campaign, but an informal appeal to generate support for this vital account. The Building Fund exists to provide financial support for off-budget needs as they occur on our campus. In the near future this includes replacement of 17 air conditioning units (about \$8-9,000 each) over the next 8-10 years, resurfacing the parking lot (last done almost 10 years ago) and repairs to the stucco on the exterior of some of our older buildings.

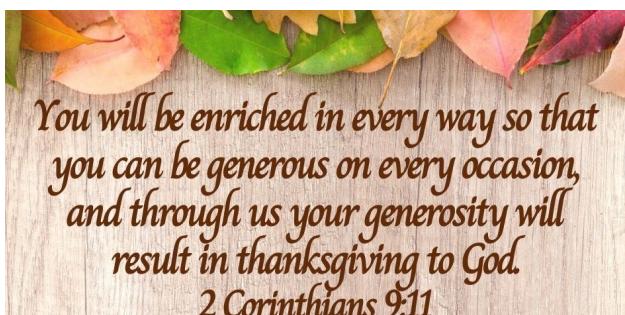

With your ongoing support, these projects can be at least partially funded through donations to the "Building Fund," not at the level of the recent capital campaign, but at some level so that we meet the needs of our aging campus. If you have any questions regarding this appeal, please contact anyone from the Board of Stewardship or the Board of Church Properties.

Again, many thanks for your support of the 2020-2022 Capital Campaign.

## SECRET SISTER PROGRAM

Ladies, if you are interested in our Secret Sister Program which the Guild sponsors, please read this and consider joining us. Those of us who are in it, truly enjoy getting a new name every year and then remembering our Secret Sis with a card on her birthday, anniversary and holidays and a gift at Christmas when her name is revealed. Of course, we also pray for them all year and this enhances our relationships with our fellow members. Even if you don't consider yourself a member of the Guild or LWML, you are welcome to be a part of the Secret Sisters. Please call Eunice Hoeft at 505-889-9705 or talk to Eunice or Karen Kolke at church.

That some come to our fellowship activities. That they in time learn about Jesus and the Holy Spirit works in their lives and the lives of their families. This is my prayer.

My Prayer also is that a number of you will get involved in this service opportunity. We need help. We have small children that simply need to be read to and loved on. We have elementary students in need of basic letters, numbers, addition, subtraction and reading. We have high school students with more complicated academics. We need help on all different levels. Please prayerfully consider joining in. You are needed and welcome.

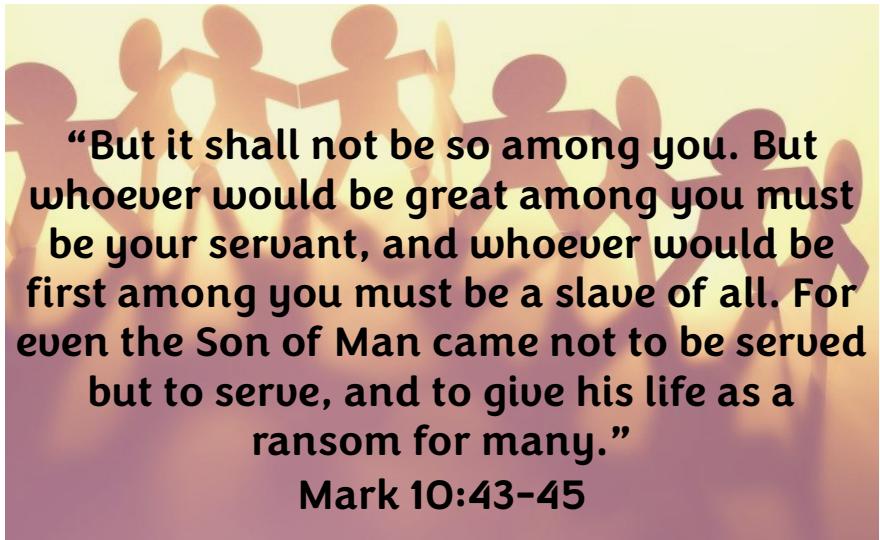

I don't know where God is going to lead this but I do know He has a plan. Consider being a part of it. I promise you will receive as much and more than you put in.

God's Peace,

Jerry Shroff

# Thank You!

God Cares About You offers a blessed farewell to Christ the Ray of Hope's, Pastor Harold Johnson. This October, Pastor Johnson bid farewell to his 35-year commitment as minister. The Mission was blessed to have Pastor's commitment to serving the International District. Twice a month, Pastor brought a truck with trailer in tow full of fruits, veggies and assortment of goodies to distribute. Humbly, he provided the production of the ramada we call Lucy's Place. Pastor Johnson has been involved with helping and providing for The Mission for six years. We extend a gracious Thank You to Pastor. We ask to keep him and his wife, Sherry, in our prayers as he begins the next chapter of life. Pastor, we love you and will miss seeing you, regularly. God Bless You and Your Family!

## NOVEMBER NEWSLETTER

The Great Season of Thanksgiving is upon us! What's that? ... It's not a season? Just a holiday. Well, then, the Great Month of November that Celebrates Thanksgiving on the Fourth Thursday is upon us! I mean, do we REALLY need 26ish weeks for Pentecost? Am I right?! I digress...

Here's a *radical* idea: This brisk November (besides not shaving) let's add a bit of 1 Thessalonians into our lifestyle by "giving thanks in all circumstances (5:18)." Giving thanks to Our Lord for the blessings we receive is concomitant. BUT have we considered giving thanks to those not-so-blessed *acts* in our lives? Pentecostal-pun, intended.

Have we bowed to Our Lord for another's punitive action? Can we genuflect before Christ after conflicting with a family member? Will we prostrate ourselves for God if our team loses, yet again? You get the point.

Commonly referred to as *Radical Gratitude*, the ability to find gratitude in disappointment are common occurrences at **God Cares About You**. Visiting **The Mission** engages us with our brothers and sisters who are conformed to giving thanks for what they don't have and anything they receive. Visiting **The Mission** exposes us to new ways of looking at **God's** grace. Visiting **The Mission** allows us to express gratitude for situations we might have otherwise taken for granted.

**October Update:** On Wednesday the 19<sup>th</sup>, UNM Truman Health Service occupied a Servanthood event at **GCAY!** The crew administered 35 covid vaccines (1/4 were 1<sup>st</sup> dose!) and allowed us to serve about 45 visitors. Vax, blankets, socks, brussel-bacon raviolis, salad, sweets... All in a day's work! **Thank You to Truman Health Services!**

A big **Thank You** to **ALL** who continue to support **GCAY** and **ANY** who haven't had the opportunity to visit or support **GOD's** work in the International District.

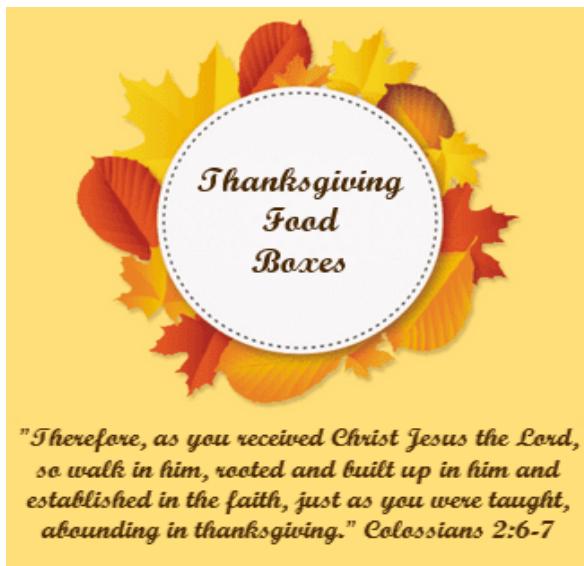

We ask that you keep **God Cares About You** and **ALL** its ministries in your prayers.

## FROM HUMAN CARE

Every year, the Human Care Board gathers items for about 40 Thanksgiving Dinner bags to hand out to families who are less fortunate. Thrivent Action Team funds help purchase turkeys, pies and dinner rolls. We will also need cash donations to help. There will be a Poster in the Narthex with note cards listing other items that we need. Take a card and bring the requested item or donate cash on Sunday November 11th or 20th.

We will bag what we have collected on Tuesday, November 22nd and give the bags to Heros Walk Among Us (a Veterans Organization) and to families whose names have been given us by members of the congregation and school. Please contact Marcia Koschmann (505-304-0178) or any Human Care Board Member if you know of a family in need.

## PRAYER POWER

James tells us that the prayers of righteous people are powerful and effective (James 5:16). During the coming week, we invite you to pray about our congregation's Stephen Ministry. Specifically, please pray for those God is calling to serve as caregivers in this ministry. For more information about Stephen Ministry, contact any of our Stephen Leaders: Cheryl Frazine, Sue Dragan, Leslie Helge, David Yocky, Rev. David Clark, Jerry Shroff.

## 2023 ENGLISH BIBLE CAMP—CZECH REPUBLIC

Partnering with a Czech Lutheran congregation, you will put on an English Bible Camp specifically for elementary and middle school aged children in the community. This week-long event is similar to a VBS in the United States. Your team will be in charge of planning the English Bible Camp using the curriculum we provide. You will work with local church members to share the Gospel with the children that attend. The curriculum incorporates the Bible lessons with the English lessons. The English learning is informal- not as it is taught in school. It offers the kids the opportunity to put into practice the English that they already know.

A typical day lasts from 9:00 am – 3:00 pm. During this time, your team is in charge of leading an opening, English time, Bible lesson, craft, sports/games, and music. At the end of the week, there is a time for parents to come see what their children have been learning. This provides another opportunity to witness to those in the community and help in connecting them to the local Lutheran church.

This is a great opportunity for Christ Lutheran to send a team! If you are interested, please contact Leslie Helge at 505-280-4283.

Dates: July 5-17, 2023

Cost: Approximately \$300/person (airfare not included)

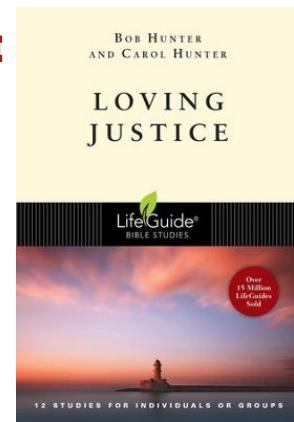

Cost Includes: food, lodging, project costs, coordination, and international medical insurance.
