

## **Ways to Shop With Scrip!**

As you know, we have gift cards for sale as part of our Scrip program but you may wonder if there are ways to purchase online or exactly how does the Scrip program work.

Scrip is pretty simple. If you notice on the order form, there are percents listed next to each business for which we have a gift card. You pay face value for the card and Jordan gets a rebate at the percent you see on our order form. It doesn't stop there! Jordan splits that percent with you! We track your rebates so that in July a check is cut back to you from the rebates you earned through purchasing Scrip. The more Scrip you buy, the more you get back! And we have cards for almost everything; groceries, pizza, clothing, and local business participate too!

Are physical gift cards purchased at the school the only way to participate in Scrip? No! However, if you are looking to purchase from local vendors (and those should be in bold lettering on our order form) then you will have to come in to purchase an physical gift card.

While there is currently no app, you can get online gift certificates through Shop With Scrip and My Scrip Wallet. I am still learning about these alternate methods of purchasing, but please feel free to ask any questions and I will be happy to help you as best I can! Email is usually easiest and my email address is [mouse7116@aol.com](mailto:mouse7116@aol.com).

There are some terms you need to know and you will need Jordan's Enrollment Code: 2L5AC7991422 to set up your account on the [www.shopwithscrip.com](http://www.shopwithscrip.com) website. When you click on "Join a Program" button you will be asked for our Enrollment Code and then you will be able to set up your account.
