

Visit myscripwallet.com to enroll in mobile SCRIP. If you are on your phone it may prompt you with easy instructions on how to add the site to your home screen. (on an iPhone touch the middle button a square with an up arrow, scroll the bottom options from copy/print to Add To Home Screen) (on other systems there may be an option through the menu on your browser)

Create an Account . If you have an account on shopwithscrip.com, the username and password is the same. If not, our Enrollment Code is 2L5AC7991422.

Fill out the information form and click register.

Through MyScripWallet touch the menu and select Payment Types. Follow the instructions to link your bank account.

The final step to linking your bank account is to verify 2 deposits GLSC (Great Lakes Scrip Company) and create your PIN. You will have to enter your pin with each purchase.

By linking the payment method you will be able to purchase electronic gift cards and reload now for physical gift cards you may already have (options vary by vendor) and receive those gift cards within minutes. Without linking your payment information you will not be available for use until they are processed through our office.
