Arrival/Departure and Breaks between Classes

- Please arrive 10 minutes prior to camp in order to change and be prepared for warm-up. While we understand many circumstances may cause you to run late, we cannot allow students to join classes 15 minutes late without prior permission. Students who are consistently late will be asked to discontinue.

Special Needs

- Please let us know if your child has special needs that are developmental, emotional or physical so we will be able to teach them effectively.

Advancement

- We encourage students to advance in their skills while having fun and encourage them to be supportive of their fellow students, developing their teamwork capacities. Please speak to their coach about advancing to the next level.

Scholarships

- Scholarships are available to a limited number of students, as MNTR funding allows. Please call or e-mail Steve Roenker for guidelines to be considered for a financial scholarship.

College Interns

- College internships are available. Contact Steve Roenker for more information.

Questions and Concerns

- My Nose Turns Red has a great staff and board. If your child or family has any questions related to their circus training such as where to buy equipment, how to improve a skill, what to wear, etc., please feel free to ask the staff for help. If you have questions about upcoming activities, fundraisers, and especially if you want to know how to help, please ask Steve Roenker or Jean St. John and they will try to answer your question or direct you to a board member for help.
- Please direct all questions about classroom policies to Steve Roenker.
