

Redeemer Parish Day School Christmas Service

We look forward to seeing our Parish Day School families on Friday, December 20th for our Christmas service. Our service will include all our students, even the children who do not attend school on a Friday. It will begin **promptly at 10:00 am** in the Church. The north lot across Melrose Avenue is available for parking, if necessary.

All students who typically attend school on Fridays should plan to arrive at their regular drop-off time. Due to room and staffing constraints, we ask that the 2 Day 2s arrive between 9:30-9:45. Parents should plan to park, sign their child in through the school office and walk them to their classrooms.

Please note that the 2s students, as part of the program, will proceed up the center aisle to the front of the church and to the outside of the reserved pews where they will join their parents. If you are a 2s parent please plan to sit in the reserved pews, or in proximity, so you can easily be located. All other classes will participate in the narration of the Christmas story.

After the service, please allow the teachers to take the rest of the classes back to classrooms where parents and caregivers should meet them for brief gatherings in the classrooms. All 2s classes will gather in the Hale Auditorium. **No afternoon programs will be held, and school is dismissed immediately following the class gatherings for Christmas break.**

Please keep in mind that we rely on your support in maintaining an atmosphere of worship. It is important to silence your cell phones and refrain from bringing food and beverages into the church. **At the end of the service, we will take a few minutes for photographs. We kindly ask you to refrain from taking photographs or videos during the program.** Please also leave the aisles and the area in front of the pews free.

We look forward to having our families with us for this very special program. Have a joyous holiday! School will resume on Monday, January 6.
