

Hello Parents and Children!

Here are some resources to use this week as your children are home from school. I've put together a short description of each, feel free to use the ones that will work best for your family! Please let me know of any other resources that would be helpful for you during this time. I'm praying for each of you as we manage this season of social distancing and isolation.

If you are looking for ways to help others who might be struggling during this time, our local food banks are in need and ***Communities in Schools*** is looking for help with food deliveries. Think of other ways our church family can reach out to our community and please let me know.

Children's Chapel lessons will be available on Sundays and look for some story time on Wednesdays. If you and your family would like to share a lesson or things you are doing at home, please contact me so we can share with each other!

Hope and love in Christ,
Mrs. Cheryl

Faith at Home Daily Devotionals

Faith at Home is an Episcopal resource that includes weekly resources for families to do scripture reflection at home. They have prepared scripture reflections for families to use every day. These can be found at <https://www.dofaithathome.org/>. You can subscribe via email or visit the site each day to get these resources.

We Wonder Podcast

This is a short daily podcast geared toward spiritual reflection for children. This would probably be best for school-aged children. The podcast may be found at <https://www.wewonderpod.com/>

Grow Christians www.growchristians.org

Grow Christians is brought to you by **Forward Movement**, a ministry of The Episcopal Church that seeks to inspire disciples and empower evangelists.

This is a wonderful and timely article from *Grow Christians*:
