

Gracie Schievelbein

On our trip along the East Coast of Florida looking for our next home, we stayed at the Costa d' Este Hotel with Gracie, our Portuguese Water Dog. The hotel staff suggested we attend the grand opening of the Vero Beach Dog Park! What a treat for us and Gracie! The dog park was one of the reasons we selected Vero Beach to be our full-time residence after living between Annapolis, Md and Key West for a number of years.

We purchased our Vero Beach home at the end of December 2014. Just a quick walk to the dog park which we enjoy to this day. Gracie will be 10 this August so I guess we can say she grew up at the same time the park has grown to be such a great place for our canine kids.
