

CHELSEA PIERS KEEPING OUR COMMUNITY SAFE STATEMENT

Chelsea Piers' number one priority is keeping everyone safe, but they can't do it alone. They have developed a Safety-First Commitment, a set of new protocols and rules following all state guidelines and made in consultation with independent medical professionals. We understand it will take some time to get used to the new rules, but for everyone's safety, the rules will be strictly enforced.

Please familiarize yourself with the protocols here <https://www.chelseapiers.com/safety-first-commitment/>

One-Time Social Responsibility Waiver

All skaters, coaches and visitors will be required to sign the Chelsea Piers Social Responsibility Waiver before checking into Chelsea Piers for the first time. This is a one-time waiver that will cover programs throughout the fall.

Daily Health Declaration

It is mandatory for everyone who comes into Chelsea Piers to complete a Health Declaration online the morning before each visit to Chelsea Piers to confirm they are not experiencing symptoms of COVID-19, nor have they come in contact with someone who is experiencing symptoms. If under age 18, a legal guardian will need to sign the Health Declaration. This link will be distributed to each rental organizer for distribution to their group once payment is confirmed for contracted rental slot.

This can be filled out at home, on the bus, in the car, **BUT it has to be filled out the day of the visit only.** It expires that day. It cannot be filled out the night before. **You will need to bring a copy of the form with you each time you skate.**
