Scholar Spotlight

Ala’Nah Swint **Norristown Blockson Chapter**

Ala’Nah Swint is in the 10th grade at Norristown High School where she has received numerous awards and accolades. A YMWIC Scholar since she was in the 7th grade, Ala’Nah has very much enjoyed interacting with other Scholars and participating in workshops and events. She has learned so much about herself, such as, she is at her best when she keeps herself physically and mentally busy. Throughout the process of working on and completing her Science Projects, she has learned the importance of not giving up in the middle of a task.

Ala’Nah wants to pursue performance arts to become an actress and singer and is considering The Julliard School. In her free time, she likes to listen to music.

Continue to work hard and grow while enjoying your journey, Ala’Nah.

We asked Fatima why she wants to be involved in YMWIC and she replied, “I think YMWIC offers me unlimited possibilities and is also a great opportunity to take advantage of the resources and benefits the Program provides for all Scholars.
