Volunteer Spotlight

Sheila Hall-Prioleau

At YMWIC, we are fortunate to have volunteers who truly make a difference; and this month, we're excited to shine the spotlight on Sheila Hall-Prioleau, the proud grandmother of Norristown Chapter Scholar Zaire Darden-Prioleau.

Sheila has been a positive supporter of our programs, always ready to lend a hand. Last year, she monitored one of our Community Service Events, ensuring everything ran smoothly. She also brought in fried chicken and a cooler full of ice for our final academic Program Year celebration -- a gesture everyone appreciated.

But Sheila's impact goes beyond these moments. She is a passionate advocate for YMWIC within the local community, constantly recruiting and inviting friends and family to join our Program. Her enthusiasm helps us reach more families and grow our community.

Sheila has also been instrumental behind the scenes, taking notes during our Program last year and helping us stay organized. Her support didn't stop there—she even purchased a Scholar ad in our Annual Banquet book, showing her dedication to our Scholars in yet another meaningful way.

We are truly grateful for Sheila Hall-Prioleau's unwavering commitment and the many ways she contributes to YMWIC. Her kindness, dedication, and ongoing efforts are a testament to the power of community, and we are honored to have her with us.
