Scholar Spotlight

Faith Taylor **Upper Darby Chapter**

We are excited to spotlight Faith Taylor, a 9th-grade Scholar who attends Upper Darby High School. Faith joined YMWIC in the 8th grade; and since then, she has embraced every opportunity the Program has to offer. As a member, she most enjoys the opportunities to make new friends and experience awesome activities that challenge her in new ways.

The impact of YMWIC on Faith has been super significant; it has helped her step out of her comfort zone and try new things, fostering her growth both personally and academically. Looking ahead, Faith aspires to enter the business field and become an entrepreneur. She has her sights set on the University of Pennsylvania, showcasing her ambition and dedication to her future.

For younger Scholars or those new to YMWIC, Faith offers valuable advice, “Take advantage of all the resources and opportunities YMWIC offers.” Her own journey reflects this sentiment, as she initially had doubts about the Program. However, Faith quickly realized that YMWIC was the perfect fit for her, helping her unlock her full potential.

Faith has already achieved numerous accolades, including the Distinguished Honor Roll, the National Junior Honor Society, and the Upward Bound Math and Courageousness Awards. In addition to her academic achievements, she is actively involved in the Class of 2028 Royal Government and the Yearbook Club. In her free time, Faith enjoys baking, reading, volunteering at her local library, and spending quality time with her family.

We are proud of you, Faith; and look forward to watching your continued growth and success within the YMWIC community!
