Scholar Spotlight

Kevin Ayllon **West Chester Chapter**

Kevin Ayllon, a junior at Kennett High School, has received many achievements including IUP Latino Exploration Day Scholarship and a Career Compass Dual-Internship Program Certificate of Completion. In addition, he attended the Lincoln University Upward Bound Summer Program and received multiple awards which included Highest Academic Achiever in Math, Most Improved Student Overall and Highest Academic Achiever.

Kevin joined YMWIC as a sophomore and has most enjoyed the annual College Tours, because they have exposed him to colleges outside of Pennsylvania. He says that the Foundation, "Is an amazing Program that helps students of color as well as all students with anything college related." His advice to younger Scholars is to embrace the challenges in front of them. In the future, he would like to attend the University of Pennsylvania, Penn State University, Temple University, or Drexel University a Business major and eventually become CFO (Chief Financial Officer) of a company.

Kevin plays soccer and runs track; and in his free time, he enjoys spending time with family and friends, listening to music, and cooking.

You're in the home stretch, Kevin. We look forward to exposing you to even more colleges and working with you as you make plans for your future after graduation.
