YMWIC Pre-Apprenticeship Program

We are Proud to Introduce the YMWIC Pre-Apprenticeship Program

If you are 18-25 years of age, select this link to join us in a Zoom Information Session on September 4, at 6:30PM, to learn more about the YMWIC Pre-Apprenticeship Program.

The Pre-Apprenticeship Program is designed to provide our young adults with hands-on experience and mentorship in a rewarding career path. This innovative program aims to bridge the gap between academic learning and practical application, equipping our participants with the skills and confidence they need to succeed in their future careers.

To kick off this exciting initiative, we are honored to welcome Brian Dawkins, a celebrated former NFL player and motivational speaker, as our special guest. Brian Dawkins, known for his illustrious career with the Philadelphia Eagles and his induction into the Pro Football Hall of Fame, is not just a legendary athlete but also an inspiring figure who embodies resilience, determination, and excellence.

Brian will be hosting an exclusive motivational session in September at our headquarters for Scholars enrolled in the Pre-Apprenticeship Program. This session will offer our Scholars the unique opportunity to gain insights from Brian's journey, receive valuable advice on overcoming challenges, and be inspired to achieve their own goals. His dynamic and passionate approach to life and success will undoubtedly provide the motivation and mentoring our Scholars need as they embark on this new chapter.

We are confident that the Pre-Apprenticeship Program, combined with the guidance and inspiration from leaders like Brian Dawkins, will empower our Participants to reach their full potential. We look forward to seeing the remarkable achievements that will come from this program and the lasting impact it will have on our YMWIC community.
