2025 Holiday Giving Event

YMWIC Scholars Share a Day of Community Giving

What a joyous day! On Saturday, December 13th, YMWIC Scholars and their families from all Chapters gathered together for one of our most anticipated events of the Program Year, our Annual Holiday Giving Event. The event was held at B. Reed Henderson High School in West Chester, PA, in celebration of the holiday season.

We recognize and honor the diversity of holiday traditions within our organization and want all our community to come together and celebrate in a welcoming and inclusive environment.

In doing so, we honor the spirit and traditions of all Scholars and their families.

Each year, we choose a family that could use a little extra help during the holiday season from the community of each Chapter, and we invite them to attend. These families were each presented with thoughtful and beautifully wrapped gifts for the children and their parents and/or guardians. The donated gifts were made by program families in each Chapter.

During the Pot Luck event, each chapter displayed their gifts for the organization to view. To the right are the gifts from the Upper Darby Chapter on display.

In the spirit of the holiday season, the YMWIC Norristown-Blockson Chapter partnered with the Interfaith Clothing Ministry to bring joy and relief to a local Norristown family in need. Through their combined efforts, they provided essential clothing, fun items for the children, and heartfelt support--reminding the community of the power of generosity and collaboration.

This partnership reflects the shared mission of both groups--to uplift neighbors and strengthen community bonds through compassion and service.

As families across Montgomery County prepared for the holidays, this act of kindness served as a shining example of what can be achieved when organizations unite for a common good. We appreciate the partnership with **Interfaith Clothing Ministry in support of the Norristown-Blockson Chapter**

Community members are encouraged to join future outreach efforts and continue spreading warmth, hope, and kindness throughout the year.

Norristown ESTLA Chapter

This holiday season, Scholars from the YMWIC Norristown Eisenhower Chapter came together to bless a local family with heartfelt gifts. Their generosity, compassion, and community spirit reflected the true meaning of the season.

This effort was made possible through the partnership of the YMWIC Foundation and Macedonia Ministries staff and volunteers, who joined forces to ensure this family felt the warmth and joy of the holiday season. Together, these community partners demonstrated how love, unity, and service can make the holiday season brighter for everyone.
