Scholar Spotlight

Caleb Reynolds
NTB Middle School Chapter

Caleb Reynolds is an 8th grader at Blockson Middle School, who joined YMWIC this year, and already stands out for his positive attitude, commitment to his education, and enthusiasm for new opportunities. At YMWIC, Caleb most enjoys the field trips, where he can explore new places, meet people, and build relationships with other Scholars. These experiences have helped him open up, connect with new peers, and feel more confident in school settings.

He shares that the Foundation has supported his success in school and will help him reach his future goal of attending college. Caleb's aspirations reach beyond the classroom; he hopes to become a musician and is already actively developing his talents. He plays cello, guitar, and saxophone, and he enjoys spending his free time playing video games and practicing his guitar.

Caleb has also demonstrated strong academic performance, having earned Honor Roll in both 7th and 8th grades. When offering advice to younger YMWIC Scholars, Caleb encourages them to "do what interests you," and not be afraid to try new things. He believes YMWIC is a Program that helps students succeed in school and prepares them for college and beyond. Caleb's curiosity, creativity, and dedication make him a wonderful representative of the YMWIC Blockson community. Keep up the great work, Caleb!
