YMWIC Professional Development SIG Participants Are Honored

The YMWIC Foundation in collaboration with PECO and the GROW Academy, recently held a memorable ceremony marking a significant milestone for our Scholars who participated in the YMWIC Professional Development SIG (Special Interest Group). The event was a tremendous success showcasing the dedication and hard work of the Scholars and drawing an impressive turnout of family, friends, and supporters.

A highlight of the ceremony was the presentation of a \$3,000 scholarship to Scholar **Walter Calle**, recognizing his outstanding achievements and supporting his future endeavors. The joy and pride in the room were palpable as we celebrated Walter's success and the bright futures of all our graduates.

We extend our heartfelt gratitude to Courtney Allen from PECO and Anita Mohammed and Sharlene St. John from the GROW Academy for their invaluable contributions to the event. Their efforts helped create an unforgettable experience for everyone involved.

The ceremony began and ended with our Scholars presenting the YMWIC Credo, a testament to their commitment to the values and mission of the Foundation. Their poise and eloquence set the tone for a day filled with celebration and inspiration.

Guests enjoyed a delicious Chick-fil-A lunch, adding to the festive atmosphere. It was a wonderful opportunity for everyone to connect, reflect on the achievements of our Scholars, and look forward to their promising futures.

We are deeply grateful for the incredible support from our community, and we are proud of our graduates for their hard work and perseverance. This ceremony was a true celebration of their achievements and a testament to the strength and unity of the YMWIC family.

Thank you to everyone who attended and made this event so special. We look forward to continuing to support our Scholars as they pursue their dreams and make a positive impact in the world.
